

Membership Rewards® Enrolment

3 steps to a great range of rewards

Membership Rewards® is our way of saying thank you for using the American Express Euro or Dollar Card. Joining the programme, earning Points and claiming rewards is easy. Here's how it works:

1 Join the programme

Joining Membership Rewards is quick and easy. If you have not yet enrolled, simply complete the short application form opposite and fax it to the number shown. All we need is your name, Card account number, telephone number and address.

Membership is free for the first year and US\$/€36.00 (including VAT) for each year thereafter for Green and Company Cardmembers. Membership is free for Gold, Platinum and Centurion Cardmembers.

Once we have received your completed form we will send you information on the programme. This will be followed by a Guide listing all the rewards available and how to claim them.

2 Start earning Points

Once enrolled, you don't have to do anything different to start earning Points.*

You will earn one Point for virtually every US dollar or euro you charge to the Card and these Points will automatically be credited to your personal Membership Rewards account.

You will receive a statement with your monthly American Express Statement of Account, showing how many Points you have earned to date - plus details of special offers from our programme partners.

3 Claim your reward

Once you have enough Points to claim your chosen reward, simply call the Membership Rewards team and they will issue you a voucher or transfer your Points to one of our partner programmes (for example, an airline frequent flyer programme).

* You can earn virtually 1 Point for every US\$/€1 spent with the Card except for; Cash advances, American Express Travellers Cheque purchases, Foreign Exchange and Express Cash transactions, Charges for Dishonoured Cheques, Late Payment and Referral Charges.
