

**\$1 MILLION AMERICAN EXPRESS MUSIC BACKERS FUND:  
QUESTIONS RELATING TO NOMINATE A MATE**

(These FAQ's are for the Nominate a Mate section only, so please read the General Program FAQs for the Music Backers Fund if you have further questions)

<b>Who is eligible for Nominate A Mate?</b>	
<b>Can I apply for Nominate a Mate – and which Mates can I nominate?</b>	<p>As long as you and your mate are 18+ years, and permanent Australian Residents or Citizens currently residing in Australia, you're eligible to enter. This competition is open to individuals only.</p> <p>There is no requirement to be an American Express customer.</p>
<b>Can I nominate a charity, group, business or government organisation?</b>	<p>Sorry, the competition is for you and your mates only! While we can't accept entries from, or nominations for government organisations, charities, groups or businesses, you can nominate a mate that is associated with a group or business with their permission. Please be aware that the prize can only be awarded to an individual person and not the charity, organisation or business.</p>
<b>What will the judges be looking for in an entry?</b>	<p>The judges will select those whose passion for music shines through. They are looking for inspirational stories of an individual who has used music to make a positive impact on others during 2020; made a contribution to the music industry; or has demonstrated resilience in the face of hardship. Keep applications concise and clearly outline the relevance to music.</p>

<b>How many winners will there be?</b>	<p>Mates / Nominees: 100 mates will be selected to win a A\$1,500 cash prize each.</p> <p>Nominators: If your mate is a winner of the A\$1,500 cash prize, you will be automatically entered into a draw to be 1 of 20 lucky Nominators awarded a Ticketmaster e-Gift Card, valued at A\$250.</p>

<p><b>How many Mates can I nominate?</b></p>	<p>You can nominate an individual Mate only once. However, you can submit up to five (5) entries, each for a different Eligible Mate (or Nominee).</p>															
<p><b>If more than one person nominates the same Mate and they're successful, which Nominator goes into the draw to win the \$250 Ticketmaster voucher?</b></p>	<p>We know that your mates are awesome, and there's no way to control if someone else nominates them too. As long as the entries are made by different people (Nominators), there is no limit as to how many times an Eligible Nominee can be nominated. If they're successful, they can only win once – even if they were nominated for different things.</p> <p>If your Mate is successful, we don't want you arguing over who nominated them! Everyone who has nominated that Mate will go into the draw to win 1 of the 20, \$250 Ticketmaster vouchers.</p>															
<p><b>I nominate my mate, and someone nominated me. Can I win both prizes?</b></p>	<p>Sorry, no – we want to award as many individuals as we can. That means if you're lucky enough to be selected as a Mate for the \$1,500, and you're also drawn to win the \$250 Ticketing voucher, we can only award one prize. The \$1,500 prize will be prioritised, and the \$250 Ticketmaster voucher will be redrawn.</p>
