

Introducing John Marsh from New York.

He's one of over 100 million high-value global
customers waiting to buy from you

Say hello to Multi-Currency from
American Express®, the simple way to reach
high-value customers in 170 countries
around the world.

Multi-Currency makes it easy for over 100 million American Express Card Members to buy your products in their local currency, giving them the convenience and reassurance of knowing exactly how much they're paying. Those funds are then transferred to your Account in your chosen settlement currency that's most convenient for you. The benefits go on:

- Do business where and how you want.
- Enjoy one of the widest offerings of currencies on the market.
- Your Merchant Account gives you 24/7 access to management and reporting tools.
- Enjoy access to data and business intelligence.

For more information contact your American Express representative.

Every major
currency accepted

Navigate through the global
marketplace with over 130 submission
and 18 settlement currencies, including:

Euro
US Dollar
British Pound Sterling
Australian Dollar

Full list of currencies attached.

Three flexible payment options to handle your currency conversion requirements

Local Pay

Settle in the same currency as the
submission currency and receive
payments in your local bank Account.

Central Pay

Receive payments in different
currencies to one central bank.

Cross Currency Pay

We'll convert all currencies to a single
currency of your choice and deposit
it in your Account.
