## Terms and Conditions

**This Policy is effective from 01/04/2022**

American Express® Card Insurance Policy Number: 09NACCOMEC

### Eligible American Express Card Products

This Policy applies to the American Express Corporate Meeting Card Account product only.

### About This Policy

This Policy sets out important information about the insurance benefits available to employees and contractors of a Sponsoring Organisation, their Spouses and Dependent Children. It explains the nature of the arrangements and relevant benefits and risks. If You feel that this product does not meet Your specific needs and intended coverage, this Policy may not be right for You. You may need to buy separate or additional insurance if this Policy does not cover You for all the things You need cover for.

This document provides general advice only. It does not take into account Your individual objectives, financial situation or needs. You need to decide if the limits, type and level of cover are appropriate for You.

There is no obligation to accept any of the benefits of this Policy. However, if You wish to make a claim under the cover provided within this Policy, You will be bound by the definitions, terms and conditions, exclusions and claims procedures set out in this document.

This Policy offers Travel insurance benefits for employees and contractors of the Sponsoring Organisation, their accompanying Spouse and Dependent Children.

### Termination

Cover will be terminated at the earlier of the following:

- the American Express Corporate Meeting Card Account is cancelled or suspended; or
- termination of the Group Policy.

Upon termination of the Group Policy, the insurance benefits will no longer be available to Covered Persons after the termination date. If You have satisfied the eligibility criteria prior to the termination of the Group Policy, cover is still available with respect to the cover section(s) that You are eligible for. American Express will always notify the American Express Corporate Program administrator in advance if the Group Policy is to be terminated.

### Remember to Check This Policy

It is important to check this Policy from time to time, particularly before You travel to remind yourself of what is and isn't covered. Some things You might consider doing whilst travelling might not be covered (for example, jet skiing, bungee jumping or hiring a scooter if You don't have a motorcycle licence).

You may need to buy separate or additional insurance if this Policy does not cover You or the things You need cover for.

Please familiarise yourself with this Policy. We want to ensure You are clear about what it covers and what it does not cover or excludes. If You are unclear about anything in this document, please call 1800 236 023 and Our insurance team will be happy to assist You with any enquiries.

### Always Take Care When Travelling

Make sure You have checked the most up to date Australian Government travel advice before You go on a Trip to understand any specific risks for Your destination. You also need to make sure You take care with Your belongings, make sure You keep valuable possessions on You and never leave Your luggage Unattended (for example, in a car overnight). This insurance is not designed to cover carelessness or high-risk activities, so be a sensible and prudent traveller.

### Making a Claim

If You need to make a claim, keep supporting documents and proof of any loss, including all police reports and sales receipts. See Section '**How To Make A Claim**' for more detail.

### Changes to This Policy

The cover under this Policy may be updated from time to time. A copy of the current policy wording can always be found by visiting the American Express Australia website at: <https://www.americanexpress.com/au/insurance/insurance-with-your-card/>. This document replaces and supersedes any Policy issued prior to the effective date.

## Important Things to Know About This Policy

We have listed a number of important things (below) that You should know about this Policy. This information is not intended to be a complete list of all coverage sections, terms, conditions or exclusions under this Policy. Rather, the information is intended as a quick reference point to assist You in Your understanding of this Policy.

### Pre-Existing Medical Conditions

This Policy **does not cover any costs incurred from or relating to any Pre-Existing Medical Condition** under Sections A – C (below). If You have Pre-Existing Medical Conditions, this cover may not be right for You. Before Your Qualifying Travel Purchase is made, You should review this Policy to make sure it provides the right cover for You and Your health situation.

### Aggregate Limit of Liability – Section C – Personal Accident Cover & Licensed Transport Accident Cover only

Our total liability for all claims arising under Section C – Personal Accident Cover & Licensed Transport Accident Cover of this Policy in respect of multiple Injuries arising out of a single Event during the Period of Insurance is limited to \$11,000,000 (the Aggregate Limit of Liability).

If the Aggregate Limit of Liability is reached, then the claims payment will be allocated amongst all Covered Persons on a proportional basis.

### **Pregnancy & Travel Insurance Benefits**

It's important to understand how Your travel insurance benefits under this Policy may be limited if You are pregnant.

One key section of this Policy that You should be aware of is:

#### **1. Section B – Business Trip Completion Cover:**

You are covered if You have a sudden and unexpected Injury or Illness arising from or related to Your pregnancy that:

- a. is confirmed by medical evidence provided by a treating Doctor, and
- b. is not otherwise excluded within this Policy, and
- c. prevents You from completing Your Trip, and
- d. Your company necessarily incurs additional costs in sending a substitute person.

#### **When Are You Not Covered if You are pregnant?**

You are not covered for any costs arising from or related to:

1. any Pre-Existing Medical Condition;
2. any costs arising from childbirth or the health of a newborn child.

### **Exclusions Within This Policy**

As with all insurance, there are certain exclusions that apply. Some exclusions only apply to certain benefits under this Policy, while other exclusions apply to all claims. You should read the following:

- a. General Exclusions and General Conditions sections within this Policy, which apply to all claims.
- b. Each cover section includes information about what We cover and any terms and conditions and exclusions that apply to the cover section.

To ensure You understand when We will pay for a claim, You should read each section carefully. You should make sure to check this Policy before You travel to make sure that You, and all the things You want to do, are covered.

### Age Limits

Please note that to be eligible for some of the benefits under this Policy, age limits apply. Please see the table below for a summary of the age limits that apply within this Policy.

Cover Section	Age Limit

<b>Travel Insurance Cover</b> (Section B – C) <b>Card Account Balance Waiver Cover</b> (Section A)	You must be 79 years of age or younger before Your Qualifying Travel Purchase is made.
Age Limit for Close Relative or Travelling Companion	
If Your claim relates to cancellation or disruption of Your Trip due to an Injury or Illness of Your Close Relative or Travelling Companion, age limits also apply. <b>Business Trip Completion Cover</b> (Section B)	Close Relative or Travelling Companion must be 90 years of age or younger when Your Qualifying Travel Purchase is made.

### Excluded Sports and Activities

Not everything You do on Your Trip will be covered by this Policy. This includes:

- competitive sporting events (for example, where You may receive a fee or prize money).

Please see the definition of 'Excluded Sports and Activities' for a full list of activities and sports which are not covered under this Policy.

### Travelling Against Medical or Government Advice

If You are advised not to travel or not to go on a particular Trip (for example, to a specific destination), You must comply with that advice. You will not be covered under Sections A – C of this Policy if You start a Trip against the following advice:

- a treating Doctor advises You not to travel; or
- an Australian State or Territory or the Australian Federal Government or an Australian government agency (such as DFAT) advises You not to travel (for example, through border closures or 'Do Not Travel' travel advisories). This exclusion applies even if You have been granted a travel exemption by an Australian State or Territory, the Australian Federal Government or an Australian government agency (such as DFAT) to travel.

### Return Trips Only

You are only eligible for the travel insurance benefits under Sections A – C of this Policy for return Trips i.e. trips that begin and end from Your Home or Work in Australia. It does not cover One-Way Trips where You have no plans to return to Australia.

You may need to provide evidence of Your intention to return to Your Home or Your Work where reasonably possible, for example by providing copies of a return ticket, itinerary or schedule, return transfer or accommodation bookings, confirmation of return to Work dates etc. Remember, cover automatically ends for all Trips at 30 days.

### Fraud

Chubb takes insurance fraud seriously. Creation or submission of false documents, or exaggerating a genuine claim is considered insurance fraud. Such behaviour has a negative impact on the cost of insurance for all customers.

We use Our dedicated special investigations unit at Chubb to detect and investigate selected claims daily. When the evidence supports it, Chubb will report suspect claims to the police and dedicate resources to assisting any potential criminal prosecutions.

### Australian Law

Your Policy is governed by the laws of the State or Territory of Australia where Your Home is. Any dispute or action in connection with Your Policy will be conducted and determined in the courts of the State or Territory of Australia in which Your Home is.

### Australian Currency

## Chubb Assistance (In the Event of an Emergency)

Where Your claim is excluded or falls outside this Policy coverage, We may still provide You with some emergency assistance. If We do this, the provision of emergency assistance by Chubb Assistance will not in itself be an admission of liability.

Considerable effort is made to locate, assess and reassess medical facilities and other services worldwide. However, the medical standards, sanitary conditions, reliability of telephone systems and facilities for medical services differ from country to country and accordingly, it is not always possible to have control over these factors. ### Financial Claims Scheme

We are an insurance company authorised under the *Insurance Act 1973* (Cth) (**Insurance Act**) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act is designed to ensure that, under all reasonable circumstances, financial promises made by Us are met within a stable, efficient and competitive financial system.

Because of this We are exempted from the requirement to meet the compensation arrangements Australian financial services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of the *Corporations Act 2001* (Cth). We have compensation arrangements in place that are in accordance with the Insurance Act.

In the unlikely event that We were to become insolvent and were unable to meet Our obligations under the Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria. Please refer to [www.fcs.gov.au](http://www.fcs.gov.au) for more information.

### General Insurance Code of Practice

We are a signatory to the General Insurance Code of Practice (Code). The objectives of the Code are to further raise standards of service and promote consumer confidence in the general insurance industry. Further information about the Code and Your rights under it is available at <https://insurancecouncil.com.au/cop/> and on request. As a signatory to the Code, We are bound to comply with its terms. As part of Our obligations under Parts 9 and 10 of the Code, Chubb has a [Customers Experiencing Vulnerability & Family Violence Policy](#) (Part 9) and a [Financial Hardship Policy](#) (Part 10) at <https://www.chubb.com/au-en/customer-service/support-for-customers-in-need.html>. The Code is monitored and enforced by the Code Governance Committee.

### Sanctions

This insurance does not apply to the extent that trade or economic sanctions or other laws or regulations prohibit us from providing insurance, including, but not limited to, the payment of claims. All other terms and conditions of this policy remain unchanged.

Chubb is a subsidiary of a US company and Chubb Limited, a NYSE listed company. Consequently, Chubb is subject to certain US laws and regulations in addition to EU, UN and national sanctions restrictions which may prohibit it from providing cover or paying claims to certain individuals or entities or insuring certain types of activities related to certain countries such as but not limited to Iran, Syria, North Korea, North Sudan, Crimea and Cuba.
