WHAT PLANS ARE AVAILABLE?

Multi-Trip Annual Plan

• 10 consecutive days per trip under the 10-Day Plan option,

• 16 consecutive days per trip under the 16-Day Plan option, or

• 31 consecutive days per trip under the 31-Day Plan option.

Per Trip Plan

Coverage under the Per Trip Plan is available for a single trip outside your Canadian province or territory of residence when purchased before your effective date, and as an extension to your existing Multi-Trip Annual Plan or Per Trip Plan coverage, up to the allowable trip duration outlined in the Period of Coverage table below.

*Note: For the Per Trip Plan, coverage (to a limit of 365 days) is permitted beyond the regular maximum number of days allowed outside your Canadian province or territory of residence, provided you receive written permission from your government to maintain your Canadian government health insurance plan beyond the regular maximum. In the event of a claim, you will be requested to provide such written permission.

The number of consecutive days for each trip under either option includes your date of departure and your return date. The date you leave on your trip and the date you return from your trip must be within a 365-day period starting from your enrollment date.

Multi-Trip Annual Plan Exception

A Multi-Trip Annual Plan cannot be used as a Top Up to another Multi-Trip Annual Plan other than under the following exceptional circumstances:

If you are travelling on a trip that extends beyond the expiry date of your Multi-Trip Annual Plan and you have purchased a new Multi-Trip Annual Plan prior to your departure with the same trip duration option (10, 16, or 31 days), your trip will be covered under the terms and conditions of your first Multi-Trip Annual Plan until its expiry date, and the remainder of your trip will be covered under the terms and conditions of the new Multi-Trip Annual Plan as of the enrollment date. The total number of days outside of your Canadian province or territory of residence covered under both Multi-Trip Annual Plans combined cannot exceed your selected plan option (10, 16 or 31 days). The new Multi-Trip Annual Plan must have the same plan option duration, begin on the day immediately following the expiry date of the previous Multi-Trip Annual Plan and must be purchased prior to departure.

Coverage under the new Multi-Trip Annual Plan is considered a new and separate term of coverage and is subject to all terms, exclusions, limitations and conditions of the new Certificate of Insurance. Coverage for the trip under the previous Multi-Trip Annual Plan will expire on the expiry date of your Multi-Trip Annual Plan as shown on your Confirmation of Insurance. Coverage for the trip under the new Multi-Trip Annual Plan will begin on your enrollment date as shown on your Confirmation of Insurance and expire on the earlier of the date you return to your Canadian province or territory of residence or the date you reach the maximum number of days outside of Canada, from your original departure date, allowed under the Multi-Trip Annual Plan option you selected, as shown on your Confirmation of Insurance.

For trips outside of your Canadian province or territory of residence longer than your selected Multi-Trip Annual Plan option (10, 16 or 31 days) from your original departure date, Top Up coverage is available by purchasing a Top Up or Extension.

WHEN DOES COVERAGE BEGIN AND END?

Multi-Trip Annual Plan

Your Multi-Trip Annual Plan coverage begins on your enrollment date and terminates at 12:00 midnight on the day before the one-year anniversary of your enrollment date. You are eligible for benefits the date you leave your Canadian province or territory of residence for any trip that does not exceed the number of days for the option you have purchased. To extend coverage for a trip longer than the maximum number of days under the option you have purchased or if your Multi-Trip Annual Plan will expire while travelling, you must purchase additional coverage through the Enrollment Centre (see “Can Coverage be Extended?” for details). If you do not top-up this coverage for a trip that is longer than your 10-Day,
16-Day or 31-Day option, you will not have coverage for any claim incurred outside of that trip. You are not required to provide advance notice of your dates of departure and return for each trip; however, you will be required to provide evidence of the date of departure and return date from your Canadian province or territory of residence when making a claim under this Certificate of Insurance.

Note: No coverage is in effect for a trip outside of your Canadian province or territory of residence that commenced prior to the enrollment date of the Certificate of Insurance for the Multi-Trip Annual Plan (except as otherwise specified under the Multi-Trip Annual Plan Exception).

Per Trip Plan
Coverage begins on the effective date shown on your Confirmation of Insurance and ends on the earliest of:

a) the return date shown on your Confirmation of Insurance (your new Confirmation of Insurance in the event your coverage has been extended through the Enrollment Centre), or

b) the date you actually return to your Canadian province or territory of residence, or

c) the date on which the number of days allowable outside your Canadian province or territory of residence by your government health insurance plan is reached.

WHAT HAPPENS TO YOUR MULTI-TRIP ANNUAL PLAN AFTER THE ONE-YEAR ANNIVERSARY?

Your plan has an additional feature to provide you with a new Certificate of Insurance upon the expiry date of your Multi-Trip Annual Plan. Provided valid card account information is on file and the premium is accepted, a new Multi-Trip Annual Plan will be issued for one year. Prior to the enrollment date of the new Certificate of Insurance, you will be notified of the details relating to your new Multi-Trip Annual Plan. If you do not wish to have a new Multi-Trip Annual Plan issued, please contact the Enrollment Center at 1-866-587-1029 (+819-780-4794).

CAN COVERAGE BE EXTENDED?

Optional Extension
Coverage can be extended under the Multi-Trip Annual Plan or Per Trip Plan by calling the Enrollment Centre at 1-866-587-1029 (+819-780-4794). Your request will be approved, provided no event has occurred that would give rise to a claim under the insurance and you request an extension before coverage for your trip terminates. If an event has occurred that would give rise to a claim, the extension of your insurance is subject to the approval of the Insurer. Your total trip length outside your Canadian province or territory of residence, including your initial trip plus any extensions, is limited to the maximum period of coverage for which you are eligible (please refer to “What Plans Are Available?”). Premium payment will be charged to a valid card account issued by a financial institution.

Automatic Extension
1. When you or your travelling companion are hospitalized due to a medical emergency on your scheduled return date, your coverage will remain in force during the period of hospitalization and up to 5 days following discharge from hospital.
2. Coverage is automatically extended for up to 5 days when you must delay your scheduled return date due to your or your travelling companion’s medical emergency.
3. Coverage is automatically extended for up to 72 hours when the delay of a common carrier in which you are a passenger causes your trip to extend beyond your scheduled return date.

Regardless of the automatic extensions above, coverage will not continue beyond 365 days from your latest date of departure from your departure point.

FAMILY COVERAGE

a) Available for applicants of all ages (at least 15 days old); and
b) Offers coverage for you, your spouse and dependent child(ren) when the premium for family coverage is paid.

c) In case of divorce, all insured persons named on the Confirmation of Insurance remain covered until the return date, or for the Multi-Trip Annual Plan, until the expiry date (12:00 midnight on the day before the one-year anniversary of your enrollment date).

e) The benefits payable in accordance with paragraphs b), c) and d) are in excess to all other potential sources of recovery, including but not limited to, alternative or replacement travel options offered by airlines, tour operators, cruise lines and other travel suppliers and other insurance coverage (even where such other coverage is described as “excess”) and will only respond after you have exhausted all such other sources.

f) The benefits payable in accordance with paragraph c) shall be paid out of a fund and, where total claims exceed fund limits, eligible claims shall be reduced on a pro rata basis so that the maximum payment out of the fund under all insurance plans underwritten by us shall be $5,000,000 per act of terrorism or series of acts of terrorism occurring within a 72-hour period. The total maximum payment out of the fund under all insurance plans underwritten by us shall be $10,000,000 per calendar year regardless of the number of acts of terrorism.
