The ultimate privilege for frequent business travellers

Flight delays, cancellations and in-transit waiting are a fact of life. Trying to contact the office or catch up with paperwork is almost impossible in a crowded and noisy airport terminal.

But with a Priority Pass membership card you can enjoy the peace of a dedicated airport lounge, whatever your class of travel.

This unique airport lounge access programme has been developed for business travellers and provides a range of special privileges in over 900 participating lounges at more than 400 cities around the world*.

Free annual membership for Gold Corporate Cardmembers

Annual Priority Pass Prestige Membership normally costs €399, but is free for American Express International Euro Gold Corporate Cardmembers.

On joining the programme, you will receive a Priority Pass membership card, together with a full Lounge Listing of all participating lounges.

When visiting a lounge, you are free to use all the facilities available – such as phone and fax services and selected free drinks – and relax in quiet comfort while you wait for your flight. Some lounges can even place conference facilities at your disposal.

As a Priority Pass Member, you may also sign in accompanying guests for an additional fee per person for each visit (currently €24).
