

American Express Integration

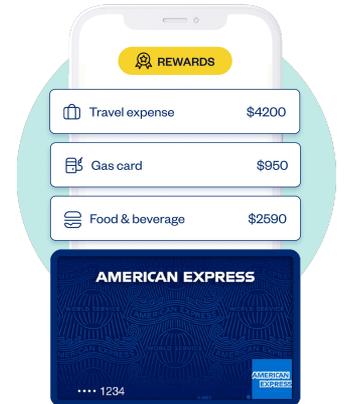

American Express and Topkey

Enjoy the functionality of Topkey alongside your eligible U.S. Business or Corporate American Express® Cards. Enrollment is required and fees may apply.

Topkey has come together with American Express to give you even more ways to manage payments, expenses, and cash flow¹ – all while earning the rewards of your eligible American Express Cards.²

How It Works

1. Sign up for Topkey

2. Connect your American Express Card

3. Track your expenses

Key Features for Property Managers

Payments and Expense Management

Give your employees time back through simplified expense management and reporting.

Cash Flow Management

Pay suppliers using on-demand virtual Cards and take advantage of your American Express billing cycle to manage cash flow for your business until your Card payment is due.

Transaction Data

Topkey's integration with American Express allows Card Members to access American Express Card transaction data within Topkey's platform, reducing manual processes and improving reconciliation.

Improved Reconciliation

Assign GL codes automatically and sync to your accounting software.

Gain Control & Visibility

Organize spending with unique virtual Cards by employees, clients, projects, vendors, or other expense categories.

Enhanced Security

Achieved through a virtual Card number that is good for a specific (1) transaction, (2) purchase amount, and (3) time period.

With Topkey, there are even more reasons to love your Card

Your eligible American Express® Business, Corporate, or Corporate Purchasing Card earns rewards when you use it with Topkey to make payments just like it would anywhere else.²

Already a mutual customer? Enroll your Card today.

¹To generate American Express virtual Cards through Topkey you must be an American Express Corporate, American Express Business, or American Express Corporate Purchasing Member. Separate enrollment with Topkey and American Express is required to utilize combined product offering. To make an American Express Card payment to a vendor through Topkey the vendor must be an American Express accepting merchant. There is no fee to generate American Express virtual Cards. Certain features, upgrades, and additional payment methods may require separate activations and fees may apply. Topkey is solely responsible for determining any and all fees associated with their product. Please contact your Topkey representative to learn more.

²Not all Cards are eligible to get rewards. Terms and limitations vary by Card type.
