Rates and Fees Table

Interest Rates	
Annual Percentage Rate (APR) for Pay Over Time	Prime Rate + 12.74% This is a variable APR. See <i>Explanation of Variable Rates</i> below.
APR for Cash Advances	Prime Rate + 21.99% This is a variable APR. See <i>Explanation of Variable Rates</i> below.
Penalty APR and When it Applies	Prime Rate + 26.74% This is a variable APR. See <i>Explanation of Variable Rates</i> below. We have the right to apply the penalty APR to new transactions in a Pay Over Time balance if: • you do not pay at least the Minimum Payment Due (or Amount Due, if applicable) by the Payment Due Date; or • your payment is returned by your bank and we will notify you if we do. How Long Will the Penalty APR Apply? If the penalty APR is applied, it will apply for at least 6 months. We will review your Account every 6 months after the penalty APR is applied. The penalty APR will continue to apply until you have made timely payments with no returned payments during the 6 months being reviewed.
Paying Interest	Your Payment Due Date is at least 25 calendar days after the close of each billing period. We will not charge you interest on charges automatically added to a Pay Over Time balance if each month you pay your Account Total New Balance on your billing statement (or, if you have a Plan balance, your Adjusted Balance on your billing statement) by the Payment Due Date. If you have Cash Advance on your Account, we will begin charging interest on cash advances on the transaction date.
Plan Fee (Fixed Finance Charge)	A monthly plan fee of up to 1.33% of each purchase placed in a plan based on: either the APR that would otherwise apply to that purchase (for purchases in a Pay Over Time balance), the APR that applies to the Pay Over Time feature at the time you create the plan (for purchases in a Pay In Full balance), or the lower of the two APRs (for purchases that are divided between a Pay Over Time balance and a Pay In Full balance); the plan duration; and other factors. (please refer to the Plan It section for additional details).
For Credit Card Tips from the Consumer Financial Protection Bureau	To learn more about factors to consider when applying for or using a credit card, visit the website of the Consumer Financial Protection Bureau at http://www.consumerfinance.gov/learnmore.
Fees	
Initiation Fee	\$10,000
Annual Fee	\$5,000
Transaction Fees	Cash Advance: Either \$10 or 5% of the amount of each cash advance, whichever is greater. Foreign Transaction: None.
Penalty Fees	Late Payment: Up to \$40. Returned Payment: Up to \$40.

How we calculate interest: We use a method called average daily balance method (including new purchases). See the *How we calculate interest on Pay Over Time and Cash Advance balances* section in Part 2.

How Rates and Fees Work

Explanation of Variable Rates: If the Prime Rate increases, variable APRs (and corresponding DPRs) will increase. In that case, you may pay more interest and may have a higher Minimum Payment Due. When the Prime Rate changes, the resulting changes to variable APRs take effect as of the first day of the billing period during which the Prime Rate has changed. Variable APRs will not exceed 29.99%.

Determining the Prime Rate: Prime Rate means the highest U.S. Prime Rate published in the rates section of *The Wall Street Journal* on the Closing Date of the billing period. If *The Wall Street Journal* does not publish the Prime Rate on that day, we will use the Prime Rate from the previous day it was published. If *The Wall Street Journal* is no longer published or stops publishing the Prime Rate, we may use the Prime Rate published in another newspaper of general circulation.

Fees

Annual Fee: This fee is on the *Rates and Fees Table* on page 1 of Part 1.

Annual Fee for Additional Cards: Each Additional Centurion Card is \$5,000 annually (limit of two), each Additional Platinum Card is \$195 annually, and each Companion Centurion Card is \$0 annually.

Plan Fee (Fixed Finance Charge): This fee is described on the *Rates and Fees Table* on page 1 of Part 1. This fee is a fixed finance charge that will be charged each month that a plan is active. The dollar amount of your plan fee will be disclosed before you set up a plan. For more information, see *About Plan It* in Part 2.

Cash Advance: 5% of an ATM cash advance (including any fee charged by the ATM operator) or other cash advance, with a minimum of \$10. We will add this fee to the Cash Advance balance.

Foreign Transaction: None.

Late Payment: Up to \$40. If we do not receive the Amount Due (or Minimum Payment Due, if applicable) by the Payment Due Date, the fee is \$29. If this happens again within the next 6 billing periods, the fee is \$40. However, the late fee on a billing statement will not exceed the Amount Due (or Minimum Payment Due, if applicable) on your prior billing statement.

Returned Payment: Up to \$40. If you make a payment that is returned unpaid the first time we present it to your bank, the fee is \$29. If you do this again within the same billing period or the next 6 billing periods, the fee is \$40. However, the returned payment fee on a billing statement will not exceed the Amount Due (or Minimum Payment Due, if applicable) on your prior billing statement.

Returned Check: \$38 if you use your card to cash a check at one of our approved locations and the check is returned unpaid. We will also charge you the unpaid amount.

Account Re-opening: \$25 if your Account is cancelled, you ask us to re-open it, and we do so.

Cash Advance and P2P Limits

Cash Advance Limit: Your cash advance balance may not exceed **\$10,000**.

There may also be a limit on the amount of cash and number of times you can obtain cash from ATMs in a given period. You agree to manage your Account so that your cash advance balance (including fees and interest) is not more than the Cash Advance Limit.

For purposes of the Cash Advance Limit, your cash advance balance will be determined by adding new cash advance transactions to the ending cash advance balance of the prior day.

In addition, we may not approve a cash advance transaction if it would cause the total of your Pay Over Time and/or Cash Advance balance and Plan balance to go over your Pay Over Time Limit.

Person-to-Person Limit: Your person-to-person transactions may not exceed **\$5,000** within any 30-day period.

You agree to manage your Account so that the total of your person-to-person transactions in any 30-day period does not exceed the Person-to-Person Limit.

We may not approve a person-to-person transaction if it would cause your Account to exceed the applicable Person-to-Person Limit.

How We Calculate the Amount Due Each Month

The amount you owe each month is the sum of the following on your billing statement:

- The Pay In Full New Balance
- Any Pay Over Time and/or Cash Advance Minimum Due
- Any Plan Payment Due

Above amounts include any past due amounts.

Your Pay Over Time and/or Cash Advance Minimum Due is the highest of:

1. \$40
2. 2% of the Pay Over Time and/or Cash Advance New Balance
3. The total calculated by following these steps: Use the Pay Over Time and/or Cash Advance New Balance minus the Interest charged on the billing statement as the *Amount* to calculate the sum of a. through d. below:
 - a. 1% of the Amount from \$0 through \$20,000
 - b. 2% of the Amount from \$20,000.01 through \$35,000
 - c. 5% of the Amount from \$35,000.01 through \$50,000
 - d. 10% of the Amount above \$50,000
 - e. Then divide the sum from steps a. through d. by the Amount and round to four decimals
 - f. Multiply by the Amount
 - g. Add the Interest charged on the billing statement

Plus any Pay Over Time and/or Cash Advance amount past due.

Your Pay Over Time and/or Cash Advance Minimum Due will not exceed your Pay Over Time and/or Cash Advance New Balance. You may pay more than the Minimum Payment Due, up to your entire outstanding balance, at any time.

EXAMPLE: You have: a Pay In Full New Balance of \$200 and a Pay Over Time and/or Cash Advance New Balance of \$30,300, which includes Interest of \$300.

1. **\$40**
2. 2% multiplied by \$30,300 equals **\$606**
3. \$30,300 minus \$300 equals \$30,000
 - a. 1% multiplied by \$20,000 equals \$200
 - b. 2% multiplied by (\$30,000 minus \$20,000) equals \$200
 - c. 5% multiplied by \$0 equals \$0
 - d. 10% multiplied by \$0 equals \$0
 - e. (\$200 plus \$200) divided by \$30,000 equals 0.0133
 - f. \$30,000 multiplied by 0.0133 equals \$399
 - g. \$399 plus \$300 equals **\$699**

The highest of 1., 2. or 3. is \$699. The Pay Over Time and/or Cash Advance Minimum Due of \$699 plus the Pay in Full New Balance of \$200 together make up the Minimum Payment Due of **\$899**.

When We Charge Interest on Pay Over Time and Cash Advance Balances (Grace Period)

We charge interest on Pay Over Time balances as described below. For cash advances, we charge interest from the transaction date. You cannot avoid paying interest on cash advances.

For charges added automatically to a Pay Over Time balance, we charge interest from the transaction date until they are paid. However, we will not charge interest on these charges in a billing period if:

- your Pay Over Time Previous Balance for the billing period is zero; or
- you paid the Account Total New Balance on your billing statement (if any) or Adjusted Balance (if you have an active plan created through Plan It) for each of the previous two billing periods in full by the Payment Due Date shown on each of those billing statements.

If you have or had Pay Over Time Select on your account: you are charged interest on purchases added to a Pay Over Time Select balance at your request from the date they are added to a Pay Over Time Select balance until they are paid.

Part 1, Part 2, Part 3 and any supplements or amendments make up your Card Member Agreement. You can request a copy of your Card Member Agreement through your online account or by calling the number on the back of your Card.

Card Member Agreement: Part 2 of 3

About this Agreement

Your Card Member Agreement: This document together with Part 1 and Part 3 make up the Card Member Agreement (**Agreement**) for the **Account** identified on page 1 of Part 1. Any supplements or amendments are also part of the Agreement. When you use the Account (or you sign or keep the Card), you agree to the terms of the Agreement.

Changing the Agreement: We may change this Agreement, subject to applicable law. This written Agreement is a final expression of the agreement governing the Account. The written Agreement may not be modified or amended by any alleged oral agreement.

Definitions: **We, us, and our** mean the issuer shown on page 1 of Part 1. **You and your** mean the person who applied for this Account and for whom we opened the Account. We will refer to you as either the **Basic** or **Primary Card Member**. You may request **Additional Cards** (which include Companion Cards, if available) for **Additional Card Members**. **Card** means any American Express Card or other device that we issue to access your Account.

A **charge** is any amount added to your Account, such as purchases, cash advances, fees, and interest charges. A **purchase** is a charge for goods, services, or person-to-person transactions. A **cash advance** is a charge to get cash or cash equivalents, including travelers cheques, gift cheques, foreign currency, money orders, digital currency, casino gaming chips, race track wagers, and other offline and online betting transactions. A **person-to-person transaction** is a charge for funds sent to another person or a charge to add funds to your Amex Send™ Account. A **plan** is a portion of your Account balance that you have selected to pay through a set number of monthly payments using Plan It. The **Closing Date** appears on each billing statement and is the last day of the billing period covered by the billing statement.

About using your Card

Using the Card: You may use the Card to make charges. We decide whether to approve a charge, based on how you spend and pay on this Account and other Accounts you have with us. We also consider your credit history and score and your personal resources that we know about.

However, if there is a Spending Limit on page 1 of Part 1 of this Agreement, then your Account has a preset Spending Limit. If at any time your total balance exceeds this Spending Limit, we are more likely to decline to authorize your charges. We may approve charges that cause your total balance to exceed the Spending Limit. If we do, you must still pay us for those charges. We may also decline to authorize charges, even if they do not cause your total balance to exceed the Spending Limit. We may change or remove the Spending Limit at any time.

You may arrange for certain merchants and third parties to store your Card number and expiration date, so that, for example: the merchant may charge your Account at regular intervals; or you may make charges using that stored Card information.

We may (but are not required to) tell these merchants and third parties if your expiration date or Card number changes or if your Account status is updated, including if your Account is cancelled. If you do not want us to share your updated Account information, please contact us using the number on the back of your Card.

Keep your Card safe and don't let anyone else use it. If your Card is lost or stolen or your Account is being used without your permission, contact us right away. You may not use your Account for illegal activities.

Declined transactions: We may decline to authorize a charge for various reasons, including if we suspect fraud or based on our assessment of your creditworthiness, even if your Account is not in default. We are not responsible for any losses you incur if we do not authorize a charge or if any merchant refuses to accept the Card.

About Account Features

Pay Over Time: If Pay Over Time is a feature of your Account, you may carry a balance with interest, up to your Pay Over Time Limit. Pay Over Time has two settings: active and inactive. You can change or view your Pay Over Time setting at any time through your online account or by calling the number on the back of your Card. Purchases made and Annual Fees charged when Pay Over Time is set to inactive will be added to your Pay In Full balance, which will be due in full each month. If you have a Pay Over Time balance, you can choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between. Charges will be added to your Pay Over Time balance as described below.

On the Transaction Date:

If Pay Over Time is set to active at 8 p.m.ET on the transaction date provided by the merchant for an eligible charge, or on the date when an eligible Annual Fee is charged to your Account, the charge will automatically be added to your Pay Over Time balance, subject to your Pay Over Time Limit. If the addition of an entire charge to your Pay Over Time balance would cause the total of your Pay Over Time, Cash Advance, and Plan balances to exceed your Pay Over Time Limit, that charge will be added to your Pay In Full balance. The transaction date provided by the merchant may differ from the date you made the purchase if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose.

On your Closing Date:

Also, if on your Closing Date, 1) the total of your Pay Over Time, Cash Advance, and Plan balances is less than your Pay Over Time Limit, 2) Pay Over Time is set to active at 8 p.m. ET and 3) there are eligible new charges in your Pay In Full balance with a transaction date when Pay Over Time was set to active, you authorize us to automatically move all or a portion of those charges to your Pay Over Time balance, subject to your Pay Over Time Limit. If the addition of a charge to your Pay Over Time balance would cause the total of your Pay Over Time, Cash Advance, and Plan balances to exceed your Pay Over Time Limit, we will move a portion of that charge to your Pay Over Time balance, up to your Pay Over Time Limit. The remaining portion of the charge will remain in your Pay In Full balance. Eligible charges will be moved to your Pay Over Time balance in order of the transaction dates. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose. A new charge, or a portion of a new charge, will not be eligible to be moved to your Pay Over Time balance on your Closing Date if:

- that charge is subject to a Foreign Transaction Fee;
- that charge or a portion of that charge is disputed (for a reason other than fraud) and that dispute is not resolved in the same billing period in which it was opened;
- that charge or a portion of that charge is reported as fraudulent and either (i) we determined the charge is fraudulent in the same billing period in which it was posted to your Account, or (ii) we have not yet determined if the charge is fraudulent in the same billing period in which it was posted to your Account;
- you created a plan for that charge using Plan It;
- Pay Over Time is suspended on your Account; or
- your Account is cancelled or enrolled in a payment program.

Certain charges are not eligible for Pay Over Time, such as cash advances and we may change the eligibility of other charges for Pay Over Time. We may suspend Pay Over Time at any time based on our assessment of your creditworthiness, the status of your Account, and/or your enrollment in a payment program. In addition, if your Account is past due or Pay Over Time is suspended, you will not be able to change your Pay Over Time setting from inactive to active.

If you transfer to a new Card with the same Account number, your Pay Over Time setting at time of transfer will remain in effect on your new Card.

If you have the Pay Over Time Travel feature on your Account: we will automatically add eligible travel-related purchases to your Pay Over Time Travel balance subject to your Pay Over Time Limit regardless of whether your Pay Over Time setting is active or inactive. If you request to cancel your Pay Over Time Travel feature, you will not be able to re-enroll.

Plan It: We may offer you Plan It, which allows you to create a payment plan for qualifying purchases subject to a plan fee. This fee is a fixed finance charge that will be charged each month that a plan is active.

You may use this feature by selecting qualifying purchases and a plan duration. You will be able to view the monthly plan payments, including the plan fee, for your selection. Each plan fee will be disclosed before you create the applicable plan. If you create a plan for a purchase in your Pay Over Time balance, the purchase will be added to a plan balance and will be subject to a plan fee based on the APR that would otherwise apply to the purchase amount. If you create a plan for a purchase that is in your Pay In Full balance, the purchase will be added to a plan balance and will be subject to a plan fee based on the APR that applies to the Pay Over Time feature at the time you create the plan. If you create a plan for a purchase that is divided between your Pay Over Time and Pay In Full balances, because only a portion of that purchase was moved to your Pay Over Time balance on your Closing Date, the purchase will be added to a plan balance and will be subject to a plan fee based on either the APR that would otherwise apply (to the portion of the purchase that was in your Pay Over Time balance) or the APR that applies to the Pay Over Time feature at the time you create the plan, whichever is lower.

A *qualifying purchase* for Plan It is a purchase of at least a specified dollar amount. Qualifying purchases do not include purchases of cash or cash equivalents, purchases subject to Foreign Transaction Fees, or any fee owed to us, such as Annual Fees.

Your ability to create plans will be based on a variety of factors such as your creditworthiness and your Pay Over Time Limit. You may not be able to create a plan if it would cause you to exceed your Pay Over Time Limit. You will not be able to create plans if your Pay Over Time feature is suspended or your Account is cancelled. You will also not be able to create plans if one or more of your American Express Accounts is enrolled in a payment program, has a payment that is returned unpaid, or is past due. We will tell you the number of active plans you may have, and we may change this number at any time. The plan durations offered to you, and your ability to include multiple qualifying purchases in a single plan, will be at our discretion and will be based on a variety of factors such as your creditworthiness, the purchase amount(s), and your Account history.

Plans cannot be cancelled after they have been created, but you can choose to pay them early by paying the Account Total New Balance shown on your most recent billing statement in full. If you pay a plan off early, you will not incur any future plan fees on that plan.

Pay Over Time Limit: If you have Pay Over Time, we assign a Pay Over Time Limit to your Account, which is shown on page 1 of Part 1 and on each billing statement. The Pay Over Time Limit applies to the total of your Pay Over Time, Cash Advance, and Plan balances. Your Pay Over Time balance cannot exceed your Pay Over Time Limit. If the addition of a charge would cause your Pay Over Time balance to exceed your Pay Over Time Limit, that charge will be added to your Pay In Full balance. When there is a delay in posting cash advances or plans to your Account, the total of your Pay Over Time, Cash Advance, and Plan balances may exceed your Pay Over Time Limit. The Pay Over Time Limit is not a spending limit. We may approve or decline a charge regardless of whether your Card Account balance is greater or less than your Pay Over Time Limit. We may increase or reduce your Pay Over Time Limit at any time. We may do so even if you pay on time and your Account is not in default. We will tell you if we change your Pay Over Time Limit. You must pay in full, by the Payment Due Date, all charges that are not added to a Pay Over Time, Cash Advance, or Plan balance.

About Payments

Promise to pay: You promise to pay all charges added to your Account, including charges that you or your Additional Card Members make, or permit others to make, even if you or they do not present the Card or sign for the transaction.

When you must pay: You must pay the Amount Due, or at least the Minimum Payment Due, as applicable, on or before the Payment Due Date in the time and manner shown on each billing statement.

How to make payments: Make payments to us in U.S. dollars with:

- a single check drawn on a U.S. bank, or
- a single negotiable instrument clearable through the U.S. banking system, for example a money order, or
- an electronic payment that can be cleared through the U.S. banking system.

When making a payment by mail:

- make a separate payment for each Account,
- mail your payment to the address shown on the payment coupon on your billing statement, and
- write your Account number on your check or negotiable instrument and include the payment coupon.

If your payment meets the above requirements, we will credit it to your Account as of the day we receive it, as long as we receive it by the time and in the manner disclosed in your billing statement. If we receive it after that time, we will credit the payment on the day after

we receive it.

If your payment does not meet the above requirements, there may be a delay in crediting your Account. This may result in late payment fees and additional interest charges.

We will not accept a payment made in a foreign currency or a payment drawn on an account at a bank located outside of the U.S.

If we process a late payment, a partial payment, or a payment marked with any restrictive language, that will have no effect on our rights and will not change this Agreement.

How we apply payments and credits: Your Account may have balances with different interest rates. For example, purchases may have no interest rate or a lower interest rate than cash advances. Your Account may also have plan balances which are assessed plan fees. If your Account has balances with different interest rates, plan balances, or plan fees, here is how we generally apply payments in a billing period:

- We apply your payments – up to the Minimum Payment Due – first to the Pay in Full New Balance; then to any plan amounts included in your Minimum Payment Due; and then to the Pay Over Time and/or Cash Advance New Balance, first to the balance with the lowest interest rate and then to balances with higher interest rates.
- After the Minimum Payment Due has been paid, we apply payments first to the Pay Over Time and/or Cash Advance balances with the highest interest rate and then to balances with lower interest rates, and then to any Plan balances.

In most cases, we apply a credit to the same balance as the related charge. We may apply payments and credits within balances, and among balances with the same interest rate, in any order we choose. If there is a negative balance in any balance on the account at the end of a billing period, that excess credit will be redistributed to other balances in accordance with how we apply payments described above. This means that in certain circumstances, plan balances may get paid before they otherwise would. If you receive a credit for a purchase added to a plan, you must call us at the number on the back of your Card to have the credit applied to the plan balance.

About interest charges

How we calculate interest on Pay Over Time and Cash Advance balances: We calculate interest for a billing period by first figuring the interest on each balance. Balances within the Pay Over Time feature and Cash Advance balances may have different interest rates.

We use the **Average Daily Balance method (including new transactions)** to figure interest charges for each balance. The total interest charged for a billing period is the sum of the interest charged on each balance.

Interest: The interest charged for a balance in a billing period, except for variations caused by rounding, equals:

- 1) Average Daily Balance (ADB) multiplied by
- 2) Daily Periodic Rate (DPR) multiplied by
- 3) number of days in the billing period.

ADB: To get the ADB for a balance, we add up its daily balances. Then we divide the result by the number of days in the billing period.

DPR: A DPR is 1/365th of an APR, rounded to one ten-thousandth of a percentage point. Your DPRs are shown in How Rates and Fees Work in Part 1.

EXAMPLE: Calculating Interest

Assume that you have a single interest rate of 15.99%, your ADB is \$2,250 and there are 30 days in the billing period.

The DPR is 15.99% divided by 365 days equals 0.0438%

The Interest is \$2,250 multiplied by 0.0438% multiplied by 30 days equals \$29.57

Daily Balance: We figure the daily balance for each balance by:

- taking the *beginning balance* for the day,
- adding any new charges,
- subtracting any payments or credits; and
- making any appropriate adjustments.

We add a new charge to a daily balance as of its transaction date, except for charges automatically moved from your Pay In Full balance to your Pay Over Time balance on your Closing Date, which we add to a daily balance as of the day after they are moved to your Pay Over Time balance. If the daily balance is negative, we treat it as zero.

Beginning balance: For the first day of a billing period, the beginning balance is the ending balance for the prior billing period, including unpaid interest. For the rest of the billing period, the beginning balance is the previous day's daily balance *plus an amount of interest equal to the previous day's daily balance multiplied by the DPR for that balance. This method of figuring the beginning balance results in daily compounding of interest.*

Other methods: To figure the ADB and interest charges, we may use other formulas or methods that produce equivalent results. Also, we may choose not to charge interest on certain types of charges.

About Covered Borrowers

For cancellations after this 30-day period, the Annual Fee is non-refundable. If your billing address is in the Commonwealth of Massachusetts at the time you close your Account, this policy will not apply to you. If your Account is cancelled and we re-open it at your request, we may charge you a \$25 fee.

When you pay us by check; permission for electronic debit: When you pay us by check, you authorize us to use information from your check (such as routing number, account number and check serial number) to make a one-time electronic fund transfer from your bank or other asset account. When we do this, your payment may be withdrawn from your bank or other asset account as soon as the same day we receive your check, and you will not receive that check back from your bank or financial institution. In certain circumstances, we may process your payment as a check transaction.

Converting charges made in a foreign currency: If you make a charge in a foreign currency, AE Exposure Management Ltd. ("AEEML") will convert it into U.S. dollars on the date we or our agents process it, so that we bill you for the charge in U.S. dollars based upon this conversion. Unless a particular rate is required by law, AEEML will choose a conversion rate that is acceptable to us for that date. The rate AEEML uses is no more than the highest official rate published by a government agency or the highest interbank rate AEEML identifies from customary banking sources on the conversion date or the prior business day. This rate may differ from rates that are in effect on the date of your charge. We will bill charges converted by establishments (such as airlines) at the rates they use.

Privacy Act of 1974: Some federal agencies may accept the Card under authority of statute. When you make charges at these agencies, we collect certain charge information. That information may be put to routine uses such as processing, billing, and collections. It may also be aggregated for reporting, analysis and marketing use. Other routine uses by agencies may be published in the Federal Register.

Insurance products: We or our affiliates may tell you about insurance and non-insurance products, services or features that may have a fee. One of our affiliates may act on behalf of a provider of these products. The affiliate may be compensated for this. The insurance products are not offered or sold by us or on our behalf. Our affiliates may get additional compensation when AMEX Assurance Company or another affiliate is the insurer or reinsurer. Compensation may influence what products and providers we or our affiliates tell you about. We may share information about you with our affiliates so they can identify products that may interest you. We may be compensated for this information.

Changing benefits: We have the right to add, modify or remove any benefit, feature or service included with or related to your Account at our discretion.

Assigning the Agreement: We may sell, transfer or assign this Agreement and your Account. We may do so at any time without notifying you. You may not sell, assign or transfer your Account or any of your obligations under this Agreement.

We do not waive our rights: We may choose to delay enforcing or to not exercise rights under this Agreement. If we do this, we do not waive our rights to exercise or enforce them on any other occasion.

Governing law: Utah law and federal law govern this Agreement and your Account without regard to internal principles of conflicts of law. We entered into this Agreement with you in Utah, where we are located and hold your Account. Maryland residents: If your Account has a Maryland billing address, we elect to offer your Account pursuant to Title 12, Subtitle 9 of the Maryland Commercial Law Article to the extent, if any, that Maryland law applies to your Account.

Notice to Oregon Residents: Service charges not in excess of those permitted by law will be charged on the outstanding balances from month to month. You may pay more than the Minimum Payment Due, up to your entire outstanding balance, at any time.

Notice for residents of Washington State: In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your Account within three working days of our receipt of the credit.

Claims Resolution

Most customer concerns can be resolved by calling our Customer Service Department at the number listed on the back of your Card. In the event Customer Service is unable to resolve a complaint to your satisfaction, this section explains how claims can be resolved through mediation, arbitration or litigation. It includes an arbitration provision. **You may reject the arbitration provision by sending us written notice within 45 days after your first Card purchase. See *Your Right to Reject Arbitration* below.**

For this section, **you** and **us** includes any corporate parents, subsidiaries, affiliates or related persons or entities. **Claim** means any current or future claim, dispute or controversy relating to your Account(s), this Agreement, or any agreement or relationship you have or had with us, except for the validity, enforceability or scope of the Arbitration provision. **Claim** includes but is not limited to: (1) initial claims, counterclaims, crossclaims and third-party claims; (2) claims based upon contract, tort, fraud, statute, regulation, common law and equity; (3) claims by or against any third party using or providing any product, service or benefit in connection with any account; and (4) claims that arise from or relate to (a) any account created under any of the agreements, or any balances on any such account, (b) advertisements, promotions or statements related to any accounts, goods or services financed under any accounts or terms of financing, (c) benefits and services related to Card Membership (including fee-based or free benefit programs, enrollment services and rewards programs) and (d) your application for any account. You may not sell, assign or transfer a claim.

Sending a Claim Notice: Before beginning a lawsuit, mediation or arbitration, you and we agree to send a written notice (a **claim notice**) to each party against whom a claim is asserted, in order to provide an opportunity to resolve the claim informally or through mediation. Go to americanexpress.com/claim for a sample claim notice. The claim notice must describe the claim and state the specific relief demanded. Notice to you may be provided by your billing statement or sent to your billing address. Notice to us must include your name, address and Account number and be sent to American Express ADR c/o CT Corporation System, 28 Liberty Street, New York, New York 10005. If the claim proceeds to arbitration, the amount of any relief demanded in a claim notice will not be disclosed to the arbitrator until after the arbitrator rules.

Mediation: In mediation, a neutral mediator helps parties resolve a claim. The mediator does not decide the claim but helps parties reach agreement. Before beginning mediation, you or we must first send a claim notice. Within 30 days after sending or receiving a claim notice, you or we may submit the claim to JAMS (1-800-352-5267, jamsadr.com) or the American Arbitration Association ("AAA") (1-800-778-7879, adr.org) for mediation. We will pay the fees of the mediator.

All mediation-related communications are confidential, inadmissible in court and not subject to discovery.

All applicable statutes of limitation will be tolled from the date you or we send the claim notice until termination of the mediation. Either you or we may terminate the mediation at any time. The submission or failure to submit a claim to mediation will not affect your or our right to elect arbitration.

Arbitration: You or we may elect to resolve any claim by individual arbitration. Claims are decided by a neutral arbitrator.

If arbitration is chosen by any party, neither you nor we will have the right to litigate that claim in court or have a jury trial on that claim. Further, you and we will not have the right to participate in a representative capacity or as a member of any class pertaining to any claim subject to arbitration. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights you or we would have in court may also not be available in arbitration.

Initiating Arbitration: Before beginning arbitration, you or we must first send a claim notice. Claims will be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration provision and the selected organization's rules in effect when the claim is filed, except where those rules conflict with this Agreement. If we choose the organization, you may select the other within 30 days after receiving notice of our selection. Contact JAMS or AAA to begin an arbitration or for other information. Claims also may be referred to another arbitration organization if you and we agree in writing or to an arbitrator appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. sec. 1-16 (**FAA**).

We will not elect arbitration for any claim you file in small claims court, so long as the claim is individual and pending only in that court.

You or we may otherwise elect to arbitrate any claim at any time unless it has been filed in court and trial has begun or final judgment has been entered. Either you or we may delay enforcing or not exercise rights under this Arbitration provision, including the right to arbitrate a claim, without waiving the right to exercise or enforce those rights.

Limitations on Arbitration: If either party elects to resolve a claim by arbitration, that claim will be arbitrated on an individual basis. There will be no right or authority for any claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of the general public, other Card Members, or other persons similarly situated.

Notwithstanding any other provision and without waiving the right to appeal such decision, if any portion of these *Limitations on Arbitration* is deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) will not apply.

Arbitration Procedures: This Arbitration provision is governed by the FAA. The arbitrator will apply applicable substantive law, statutes of limitations and privileges. The arbitrator will not apply any federal or state rules of civil procedure or evidence in matters relating to evidence or discovery. Subject to the *Limitations on Arbitration*, the arbitrator may otherwise award any relief available in court. You and we agree that the arbitration will be confidential. You and we agree that we will not disclose the content of the arbitration proceeding or its outcome to anyone, but you or we may notify any government authority of the claim as permitted or required by law. If your claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents, through a telephonic hearing, or by an in-person hearing. At any party's request, the arbitrator will provide a brief written explanation of the award. The arbitrator's award will be final and binding, subject to each party's right to appeal as stated in this section and/or to challenge or appeal an arbitration award pursuant to the FAA. To initiate an appeal, a party must notify the arbitration organization and all parties in writing within 35 days after the arbitrator's award is issued. The arbitration organization will appoint a three-arbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. The appeal will otherwise proceed pursuant to the arbitration organization's appellate rules. Judgment upon any award may be entered in any court having jurisdiction. At your election, arbitration hearings will take place in the federal judicial district of your residence.

Arbitration Fees and Costs: You will be responsible for paying your share of any **arbitration fees** (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

Additional Arbitration Awards: If the arbitrator rules in your favor for an amount greater than any final offer we made before the final hearing in arbitration, the arbitrator's award will include:

(1) any money to which you are entitled, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

Your Right to Reject Arbitration: You may reject this Arbitration provision by sending a written **rejection notice** to us at: American Express, P.O. Box 981556, El Paso, TX 79998. Go to americanexpress.com/reject for a sample rejection notice. Your rejection notice must be mailed within 45 days after your first Card purchase. Your rejection notice must state that you reject the Arbitration provision and include your name, address, Account number and personal signature. No one else may sign the rejection notice. If your rejection notice complies with these requirements, this Arbitration provision and any other arbitration provisions in the Card Member Agreements for any other currently open American Express Accounts you have will not apply to you, except for Corporate Card Accounts and any claims subject to pending litigation or arbitration at the time you send your rejection notice. Rejection of this Arbitration provision will not affect your other rights or responsibilities under this *Claims Resolution* section or the Agreement. Rejecting this Arbitration provision will not affect your ability to use your Card or any other benefit, product or service you may have with your Account.

Continuation: This section will survive termination of your Account, voluntary payment of your Account balance, any legal proceeding to collect a debt, any bankruptcy and any sale of your Account (in the case of a sale, its terms will apply to the buyer of your Account). If any portion of this *Claims Resolution* section, except as otherwise provided in the *Limitations on Arbitration* subsection, is deemed invalid or unenforceable, it will not invalidate the remaining portions of this *Claims Resolution* section.
