SEPA B2B Direct Debit Mandate for Recurrent Payments

SEPA B2B DIRECT DEBIT SCHEME

The SEPA B2B direct debit scheme has been specifically designed for business customers, and will enable your business to enjoy greater security, since each direct debit transaction will be individually verified by your bank.

Follow these instructions:

- 1. Once we have received and processed your Direct Debit Mandate, we will send you a Unique Mandate Reference (UMR) that you must give your bank.
2. Your bank will activate the SEPA B2B direct debit within a maximum of 5 business days.

Please note that if your bank has not received the UMR when the first direct SEPA B2B debit is sent, it could be rejected so we would have to request an alternative payment.
