

ADDITIONAL RESOURCES

Stay in the know.

Looking to get more out of your company's Programme data? Need to manage Business Travel Accounts and itineraries quickly? Want to give users more control over spend reconciliation processes? Start here.

Commercial Insights

Take advantage of our highly customisable Commercial Insights tool and uncover opportunities to optimise business travel spending.*

BTA Connect

Manage your BTA, add reference information and edit and export statement data in just a few clicks. Also, use it to contact American Express quickly with any questions about transactions.

vPayment

Get secured access to this virtual payment solution that assigns a single-use Account number to each transaction. Users are also able to set a specific pre-authorisation payment amount, date range, and transaction details to help control spend and facilitate reconciliation processes.

Learn more about these resources and access them from the links on the bottom of the [@ Work homepage](#).

*Access to Commercial Insights is not available to all American Express corporate clients and is by invitation only. Please have your Programme Administrator contact your Account Representative to see if Commercial Insights is right for you.
