

@ Work[®]

5 THINGS YOU DIDN'T KNOW YOU COULD DO WITH @ WORK

American Express Corporate Card Program's online platform @ Work has gained a reputation for functionality, efficiency and speed. Users can view their accounts at a glance, upgrade, suspend or cancel a card, set limits and alerts, and analyze spending habits.

01 Three Different Dashboards

The Compliance Dashboard
Focuses on your members' track records e.g. late payments.

The Suppliers Dashboard
Shows crucial data regarding your suppliers.

The Program Dashboard
Explores member spending.

02 Real Time Exposure

Forget close-of-business settlement and reporting, these updates are **to-the-minute accurate**.

03 View Data in One Glance

Displays overdue card members and **amounts you owe**.

04 Statements Instant Check

Six months of statements and data are **instantly available**.

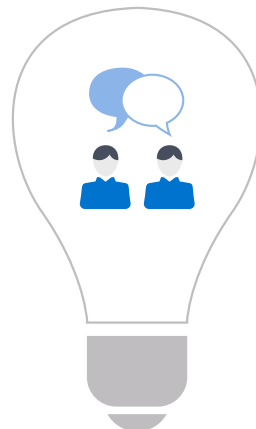

Up to seven years' of statements available within **24 hours**.

05 Customizing Alerts

Set up **custom alerts** for notifying important translations.

Be alerted when there is a global incident, you can check Cardmembers' location to ensure their safety.

In Hong Kong? Choose between English or Traditional Chinese.
The entire system view will adapt.
