⁴ Please contact American Express if you wish to opt out of the overlimit facility. Please note that there may be some situations where an Overlimit Charge may still be imposed if you have opted out of the overlimit facility (e.g. transactions which do not require authorization from American Express, transactions which exceed the amount authorized by American Express due to foreign currency fluctuations).

⁵ Cash back will be paid to you by crediting your Account and included in your monthly statement. Purchases that were charged to your Credit Card but have yet to be posted to your Account will not be taken into account for purposes of cash back computation for such month but will however be taken into account for cash back computation in the following month when the purchases have been posted to your Account. Cash back is not redeemable for cash (including through a credit balance refund) or a credit to your Account, except as set out in these Terms and Conditions. The payment of cash back does not count towards the payment of your minimum amount on your Account. Cash back earned by Supplementary Credit Cardmembers (and any negative adjustments) will automatically accrue to the Basic Credit Cardmember's Account.
