REQUESTERS DECLARATION

I/We hereby authorise you to process this transaction on my/our behalf. I/We understand and agree that you may, at your own absolute discretion, and without giving any reason therefore, refuse to carry out any instructions given by me/us (even if in the interim the person who received such instruction on your behalf had agreed to accept and carry out the same) in which case you shall not be liable to me/us for delay or non-performance of such instructions. In any event I/We acknowledge that any acceptance by you to carry out my instructions is merely an agreement by you to use reasonable efforts to carry out the same and not a guarantee that my/our instructions will necessarily be carried out.

I/We acknowledge that you cannot give any assurance on the timing of receipt of funds and agree that you shall not be liable to me/us for any performance delay or failure which is due to a cause beyond your reasonable control. Overseas banks may impose handling charges, particularly for payments in currency other than that of the receiving country, and I/We agree that such charges shall be the responsibility of the beneficiary unless specifically identified and agreed between you and I/us to be charged to my/our account.

I/We confirm the previously submitted personal identification documents provided to American Express remain valid. I/We acknowledge it is my responsibility to update American Express with new identification documents, if previously submitted identification documents have changed or have expired.

I/We acknowledge that I/We have read and understood the Client's Declaration and I/We agree to be bound by the same. I/We confirm that this requisition and all matters related thereto are subject to the American Express Terms and Conditions for Foreign Exchange transactions.
