Such option is a direct arrangement offered by the overseas merchants and not the card issuer. In such cases, customers are reminded to ask the merchants for the foreign currency exchange rates and the percentage of handling fees to be applied before the transactions are entered into since settling foreign currency transactions in Hong Kong dollars may involve a cost higher than the foreign currency transaction handling fee.	
Late Payment Fee	3.3% of the outstanding balance (The minimum Late Payment Fee is HK\$100. However, the Late Payment Fee will not exceed the outstanding balance.)
