Goods and Services Tax (GST) thereon: Any Charges mentioned anywhere in this MITC document are exclusive of the applicable Goods and Services Tax (GST) which is billed along with the fee that appears on the Statement of Account, and is levied as per the prevailing rate of Goods and Services Tax (GST).

d) Due Date

All Charges are due immediately upon receipt of monthly Statement of Account, payable by due date given on the statement. In the event of non-receipt of monthly statement, the Cardmember is required to make full payment of the Charges within 21 days of incurring the Charge on basis of the Cardmember's copy of the Record of Charges (ROC), or earlier, if requested by American Express.

Indicative Example: For a monthly statement dated January 13, 2013, the total amount payable by the due date is ₹1,20,000. Then the Cardmember is required to pay the full amount of ₹1,20,000 on

or before the payment due date.

e) Finance Charges

As per the product, Cardmembers are not allowed to revolve on the overdue balance on their Card by payment of Finance Charges. Cardmembers are expected to make full payment for the total amount on the due date or within 21 days of incurring the Charge.

i) Overdue Interest Charges

There are no Overdue Interest Charges applicable for the Platinum Corporate Card.

ii) Charges in case of default - Delinquency Fee

A Delinquency Fee is levied if American Express does not receive full payment of the Amount Due (as shown on the monthly statement) by the Due Date. The Delinquency Fee will be levied at the rate of 3.5% on the unpaid balance (with a minimum monthly Delinquency Fee being ₹100), in the next monthly billing statement until the payment is received in full.

Sample Illustration - A Cardmember has a total amount due of ₹12,000 payable by Due Date. If the Cardmember does not pay this full amount by the Due Date, the Delinquency Fee that will appear in the next month's Statement of account will be: $3.5\% \times 12,000 = ₹420$. Thus, the Cardmember would be charged ₹420, which is the Delinquency Fee payable.

If the Cardmember does partial payment by the Due Date, that will be adjusted with the total outstanding on which the Delinquency Fee will be levied and Delinquency Fee that will appear in the next month's Bill Statement will be calculated as: Total Outstanding ₹12,000, payment made ₹2,000 by due date, Delinquency Fee = $3.5\% \times (\text{₹}12,000 - \text{₹}2,000) = 3.5\% \times \text{₹}10,000 = \text{₹}350$

Please note that the delinquency fee stated in the example above is exclusive of Goods and Services Tax (GST). Goods and Services Tax (GST) will be billed on the delinquency fee charged as per applicable rates.

f) Interest Free (Grace) Period

There are no Interest Charges applicable for Corporate Card(s). Cardmember can enjoy up to maximum of 51 days of free credit period unless specifically agreed otherwise between AEBC and Corporate customers and/or Corporate Cardmembers.

Sample Illustration: Transaction date: 2nd June, Billing Cycle date: 1st of every month, Payment due date: 22nd July, Interest free period = 2nd June – 22nd July = 51 days.

Please note that Delinquency Fee is levied if American Express does not receive payment in full of the charges shown on the monthly statement by the payment due date. The details pertaining to Delinquency Fee and illustration thereof are provided herein under Section 1 (e) (ii) under the sub-heading "Charges in case of default - Delinquency Fee".

Please note that the finance charges on cash advances are levied from the very next day.

3. BILLING AND PAYMENTS

A monthly statement will be sent to Corporate Cardmembers or the Corporate through courier or regular post or through e-mail notification for each billing period during which there is any activity or a balance outstanding on the Card Account(s). However, there may be no statement generated for the period in which there has been no outstanding due and no transaction on the Account in the past month. Non-receipt of the statement for any reasons whatsoever is not a valid reason for non-payment of the payment due. Should the Cardmember not receive the statement within 10 days from the date of his/her usual statement date then the Cardmember must call American Express to check the amount payable. Cardmembers can also view their statements online by logging onto www.americanexpress.co.in and registering for an American Express Online Account. 10.) SMA and NPA Classification and Upgradation

As per the Prudential Framework for Resolution of Stressed Assets and Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances issued by RBI and amendments there to from time to time, banks are required to classify the borrowers as special mention accounts (SMA) and Non-performing Assets (NPA) if the overdue is not paid on the due date fixed by the bank as per the categories mentioned in the below table

Categories	Basis for classification – Principal or interest payment or any other amount wholly or partly overdue
SMA-0	Up to 30 days
SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days
NPA	More than 90 days

The borrower accounts are flagged as overdue as part of day-end processes for the due date. Similarly, classification of borrower accounts as SMA as well as NPA is done as part of day- end process for the relevant date and the SMA or NPA classification date is the calendar date for which the day end process is run.

Example: If due date of a loan account is March 31, 2021, and full dues are not received before the lending institution runs the day-end process for this date, the date of overdue shall be March 31, 2021. If it continues to remain overdue, then this account shall get tagged as SMA-1 upon running day-end process on April 30, 2021 i.e. upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be April 30, 2021.

Similarly, if the account continues to remain overdue, it shall get tagged as SMA-2 upon running day- end process on May 30, 2021 and if continues to remain overdue further, it shall get classified as NPA upon running day-end process on June 29, 2021.

Further, the borrower account classified as NPAs are upgraded as 'standard' asset only if entire arrears of interest and principal are paid by the borrower.

In case of restructuring:

The accounts classified as standard are immediately downgraded as non-performing assets (NPAs) and NPAs would continue to have the same asset classification as prior to restructuring; unless otherwise specified by RBI

a. Conditions for Upgrade

- a.) For MSME accounts where aggregate exposure of the lenders is less than ₹25 crores: An account may be considered for upgradation to 'standard' only if it demonstrates satisfactory performance during the specified period
- b.) For all other accounts that are not MSME: An account will be upgraded only when all the outstanding loan/facilities in the account demonstrate 'satisfactory performance' during the period from the date of implementation of Resolution Plan (RP) up to the date by which at least 10 percent of the sum of outstanding principal debt as per the RP and interest capitalization sanctioned as part of the restructuring, if any, is repaid.

- c.) Other regulatory guidelines with regard to upgrade of an account may also apply on certain accounts as per applicable laws.

These instructions on SMA / NPA classification of borrower accounts are applicable to all loans, including retail loans, irrespective of size of exposure of the lending institution.
