Illustration: Transaction date: 2nd June, Billing Cycle date: 1st of every month, Payment due date: 18th July, Interest free period = 2nd June - 18th July = 47 days. Please note that Delinquency Fee is levied if American Express does not receive payment in full of the charges shown on the monthly statement by the payment due date.

The Bank shall report a charge card account as 'overdue' to credit information companies (CICs) and levy late payment charge when a charge card account doesn't receive full payment by due date for more than five days

The details pertaining to Delinquency Fee and illustration thereof are provided herein under FEES AND CHARGES Section a (ix) Charges in case of default - Delinquency Fee.

(viii) Overdue Interest Charges - to be given on monthly and annualized basis.

There are no Overdue Interest Charges applicable for the Card.

(ix) Charges in case of default

A Delinquency Fee is levied if American Express does not receive full payment of the Amount Due (as shown on the monthly statement) by the Due Date. The Delinquency Fee will be levied at the rate of 2.5% on the unpaid balance (with a minimum monthly Delinquency Fee being ₹500), in the next monthly billing statement until the payment is received in full.

Calculation Methodology will be as follows:

Delinquency Fee amount= 2.5%* (Last Statement Outstanding- Fees & Taxes- Credits received till payment due date) Sample Illustration: A Cardmember has a total amount due of ₹20,000 payable by the Due Date. If the Cardmember does not pay this full amount by the Due Date, the Delinquency Fee that will appear in the next month's bill statement will be calculated as: 2.5%* of ₹20,000 = ₹500. Thus, the Cardmember would be charged ₹500 + applicable tax, which is the Delinquency Fee payable.

If the Cardmember does partial payment by the due date, that will be adjusted with the total outstanding on which the Delinquency fee will be levied and Delinquency fee that will appear in the next month's Bill Statement will be calculated as: Total Outstanding ₹30,000, Payment made ₹5,000 by due date, Delinquency fee = 2.5%* (₹30,000 - ₹5,000) = 2.5%* ₹25,000 = ₹625 + applicable tax.

Please note: Membership Rewards Points will be forfeited for the particular billing cycle/ monthly statement in which the minimum payment is not received by the due date.

(b) DRAWAL LIMITS

(i) Credit Limit and (ii) Available Credit Limit

There is no pre-set spending limit on the Charge Card. "No Pre-Set Limit" does not mean spending is unlimited. American Express approves charges (spends done on Merchant Establishments in India or overseas) based on the declared financials, spending pattern, credit record and Account history. American Express reserves the absolute right to deny authorisation for any requested charge.

The Cardmember can call-up the helpline to understand the amount he may spend on the Card.

(k) SMA and NPA Classification and Upgradation

As per the Prudential Framework for Resolution of Stressed Assets and Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances issued by RBI and amendments thereto from time to time, banks are required to classify the borrowers as special mention accounts (SMA) and Non-performing Assets (NPA) if the overdue is not paid on the due date fixed by the bank as per the categories mentioned in the below table

Categories	Basis for classification - Principal or interest payment or any other amount wholly or partly overdue
SMA-0	Up to 30 days
SMA-1	More than 30 days and up to 60 days
SMA-2	More than 60 days and up to 90 days
NPA	More than 90 days

The borrower accounts are flagged as overdue as part of day-end processes for the due date. Similarly, classification of borrower accounts as SMA as well as NPA is done as part of day-end process for the relevant date and the SMA or NPA classification date is the calendar date for which the day end process is run.

Example: If due date of a loan account is March 31, 2021, and full dues are not received before the lending institution runs the day-end process for this date, the date of overdue shall be March 31, 2021. If it continues to remain overdue, then this account shall get tagged as SMA-1 upon running day-end process on April 30, 2021 i.e. upon completion of 30 days of being continuously overdue. Accordingly, the date of SMA-1 classification for that account shall be April 30, 2021.

Similarly, if the account continues to remain overdue, it shall get tagged as SMA-2 upon running day-end process on May 30, 2021 and if continues to remain overdue further, it shall get classified as NPA upon running day-end process on June 29, 2021.

Further, the borrower account classified as NPAs are upgraded as 'standard' asset only if entire arrears of interest and principal are paid by the borrower.

In case of Cardmember billing disputes/transaction disputes, American Express follows its dispute resolution policy/procedures whereby a temporary suspension is applied on the disputed transaction and case is investigated for the dispute and the dispute is closed. As a result of temporary suspension, the disputed transaction amount is not included in the overdue balance for the purposes of reporting to Central Repository of Information on Large Credits (CRILC) constituted by the Reserve Bank of India (RBI), Credit Information Companies (CICs) established under the Credit Information Companies (Regulation) Act, 2005, Information Utilities (IUs) established under the Insolvency and Bankruptcy Code, 2016, debt collection agencies and classification of borrower accounts as SMA as well as NPA, till such time that dispute is settled.

In case of restructuring:

1. The accounts classified as standard are immediately downgraded as non-performing assets (NPAs) and NPAs would continue to have the same asset classification as prior to restructuring; unless otherwise specified by RBI.

2. Conditions for Upgrade

1. For MSME accounts where aggregate exposure of the lenders is less than ₹25 crores:

An account may be considered for upgradation to 'standard' only if it demonstrates satisfactory performance during the specified period.

2. For all other accounts that are not MSME: An account will be upgraded only when all the outstanding loan/facilities in the account demonstrate 'satisfactory performance' during the period from the date of implementation of Resolution Plan (RP) up to the date by which at least 10 per cent of the sum of outstanding principal debt as per the RP and interest capitalization sanctioned as part of the restructuring, if any, is repaid.

3. Other regulatory guidelines with regard to upgrade of an account may also apply on certain accounts as per applicable laws. These instructions on SMA / NPA classification of borrower accounts are applicable to all loans, including retail loans, irrespective of size of exposure of the lending institution.

For more details, please refer to guidelines published on RBI website: www.rbi.org.in.
