

What are the requirements for the copy ID and proof of residential address?

To make it as easy as possible for you please see below which requirements the copy ID and proof of residential address must meet.

Copy ID:

Copy of the front and back of a valid ID card

Or valid copy of the front and back of passport

Please note: a driving license as proof of identity is not allowed.

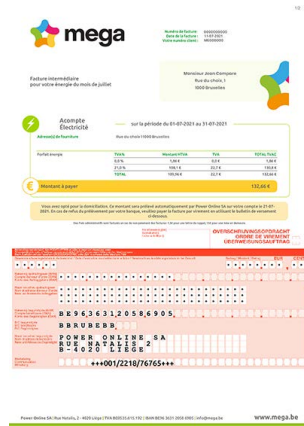

- For Belgian residents we need a copy ID issued by the Belgian government.
- From all others, we need a copy of the valid ID card issued by an EU country or a valid international passport.

Proof of residential address:

Copy of:

- A recent print of the address on the identity card, or;
- A recent document of the regional council, or;
- A copy of a recent gas, water or electricity bill.

- A copy of a recent gas, water or electricity bill can be no more than 3 months old.
- Unfortunately, we cannot accept screenshots as proof.
- We also cannot accept proof with a PO box number.

If you take a picture,

please make sure that the copy ID or proof of residential address is legible and complete. This way we can process the information properly.
