

Apply for your Flying Blue - American Express Entry Card quick and easy

- 1 Complete the online application form.
- 2 Verify your identity via iDIN.*
- 3 Upload a valid ID document.
- 4 We will review your application and may contact you for additional information if needed.
- 5 Once approved, you will receive your Card within 10 business days.
- 6 Activate your Card online.

You can apply for the Flying Blue - American Express Entry Card if you:

- Are 18 years or older
- Have a gross annual income of at least €30,000
- Have a Dutch residential address
- Have no negative BKR credit registration

Keep the following information ready for your application:

- Gross annual income
- Valid identification document: passport, EEA identity card (driving licence not accepted)
- Login credentials for your own bank

In case of a discount on the annual fee as a welcome offer, this discount is only valid in the first year of your membership. If you have already held an American Express Card or Supplementary Card in the past 12 months, the welcome bonus and first-year annual fee discount will be forfeited. The monthly fee is €3.

* iDIN is an initiative of Dutch banks. A fast, secure and convenient method for online identification via the secure and trusted login method of your own bank.

The Flying Blue - American Express Entry Card

Terms and conditions

- You will receive 1,000 Miles when you spend a minimum of €500 within the first three months after receiving your Card.
- Upon approval of your application, you can extend the Miles earned through non-flight-related activities once by 2 years.

Insurance terms and conditions

Terms and conditions apply to the insurance coverage of this product. You can find these at americanexpress.nl/insurance (Dutch link only).

Identity verification requirements

For more information about why American Express must establish and verify the identity of Cardmembers: americanexpress.nl/identity-verification (Dutch link only).
