We may debit to your Account and/or request that you pay the same on demand as we deem fit.

The statement will also disclose to you the interest charge, statement date, opening balance, new Charges, closing balance, Credit Limit, available Credit Limit at statement date, Payment Due Date and minimum payment. The time between successive monthly statements will vary depending upon the number of business days in the month. You agree to notify us in writing of any omission from or error on the statement within 22 days of the date of the statement. If you do not do so, the statement shall be conclusive and binding on you.

11. MINIMUM PAYMENT (i) The monthly statement will show the minimum payment you need to pay us which will be 3% of the outstanding balance plus the total sum of any outstanding balances, late payment charges, and any amount exceeding your Credit Limit, or S$50 whichever is greater. (ii) The minimum payment is due and payable by you to us on or before the Payment Due Date. Payment takes place only when we receive it and credit it to your Account - not when you send it. (iii) You will be required to pay us immediately if your Account is overdue or you exceed your Credit Limit. The amount you must pay will be notified on your statement. (iv) You may pay more than the minimum amount due, pay us before the Payment Due Date, pay us more than once during the billing period or pay the balance outstanding on your Account at any time. (v) You must always pay us in Singapore Dollars via the payment methods notified by us to you. You may also authorise your financial institution to debit directly from your account with them the total amount of the minimum payment due in the monthly statement ("Direct Debit"). If you select Direct Debit, we will advise you of the terms and conditions governing
its operation. (v) If we decide to accept payment in another currency, we shall convert your payment to Singapore Dollars at our rate and credit it to your Account. (vi) If we receive a dishonoured payment or credit from or for you that is not honoured in full, you agree to pay us the dishonoured amount plus any reasonable collection costs and legal fees we incur. If you pay us through Direct Debit and our debit to your account with a financial institution is not honoured in full, you agree to pay us the dishonoured amount plus any reasonable collection costs and legal fees incurred by us. We may charge a handling fee for any dishonoured payment order.

12. LATE PAYMENT CHARGE If we do not receive payment of the minimum payment due shown on the monthly statement by the Payment Due Date, we reserve the right to impose a late payment charge of $1.00 per month or any other rate as may be determined by us from time to time.

13. SUSPENSION/TERMINATION (i) BY YOU: You can terminate this Agreement at any time by giving us written notice and returning to us all Credit Cards issued for use on the Account. Termination will only be effective when we receive all such Credit Cards and payment of all amounts outstanding in respect of the Account. You can cancel the use of a Credit Card by notifying us in writing but you will remain liable for all Charges incurred by the Supplementary Credit Card Member. (ii) BY US: We can suspend the use of any Credit Card or terminate this Agreement at any time without having to give any reason or notice. Where we terminate the Agreement all monies outstanding on the Account (including Charges or Cash Advances not yet debited) will become due and payable immediately and you shall pay default interest thereon at the annual percentage rate shown on your statement or at such other rate as may be determined by us from time to time, from the date of termination until full payment. We may inform Establishments of cancelled Credit Cards. If the Credit Card is cancelled you must cut it in half and return both halves to us at once. You must hand it over to any Establishment that so requests or to any third party nominated by us. You agree not to use the Credit Card after it has been cancelled.

14. AUTHORISATION Certain charges may need to be authorised by us before they will be accepted by an Establishment. We have the right to refuse authorisation for any Charge. Cash Advance or Balance Transfer transactions without cause or prior notice notwithstanding that the Credit Limit has not been exceeded and we shall not be liable to you or anyone else for any loss or damage resulting from such refusal. When we give an Establishment permission to charge your Account, we assume the transaction will take place and therefore reduce the Credit Limit on your Account by the sum authorised.

15. FOREIGN EXCHANGE CHARGES If we receive a transaction or refund for processing in a currency other than Singapore Dollars (“Foreign Charge”), our currency conversion affiliate, AE Exposure Management Limited (“AEEML”) will convert it into US Dollars first (unless it was submitted to us in US Dollars) and convert it from US Dollars into Singapore Dollars. The conversion will take place on the date the Foreign Charge is processed by American Express, which may not be the same date on which the Foreign Charge was made as it depends on when the Foreign Charge was submitted to American Express. Exchange rate fluctuations can be significant.

The exchange rate AEEML uses, which is called the “American Express Exchange Rate”, will be:

- the rate required by applicable law or used as a matter of local custom or convention in the territory where the transaction or credit was made (in which case AEEML will look to be consistent with that custom or convention), or where this doesn’t apply;
- based on interbank rates selected from customary industry sources on the business day prior to the processing date.

We will increase the Foreign Charge by a single conversion commission of 2.95%.

The American Express Exchange Rate is set each day from Monday to Friday including public holidays except for Christmas Day and New Year’s Day.

You acknowledge that any refund of a Foreign Charge may be different to the Foreign Charge amount originally processed on your Card Account. The difference is generally because:

a) the refund and Foreign Charge may be processed on different days with different rates;

b) the refund may be only a partial refund for the Foreign Charge; or

c) where third parties convert charges in foreign currency, those third parties may treat refunds differently to the original foreign currency charge.

When making a transaction in foreign currency, you may be given the option to allow a third party (for example, the retailer) to convert the transaction into Singapore Dollars before submitting it to us. If you decide to do this, then that third party will determine the exchange rate and any commission or fees payable for the currency conversion and submit that transaction to us in Singapore Dollars, meaning we will not convert the transaction or apply a currency conversion fee. It is your decision whether to use such third party currency conversion facilities.

16. DISCLOSURE OF INSURANCE ARRANGEMENTS We identify insurance providers and products that may be of interest to some of our customers. In this role we do not act as an agent or fiduciary for you, and we may act on behalf of the insurance provider, as permitted by law. We want you to be aware that we receive commissions from providers and commissions may vary by provider and product. Also, in some cases, an American Express entity may be the reinsurer and may earn reinsurance income. The arrangements we have
with certain providers, including the potential to reinsure products, may also influence what products we identify. We do not require you to purchase any insurance product, and you may choose to cover your insurance needs from other sources on terms they may make available to you.

USEFUL INFORMATION

1. Credit Card Interest Rate Policy
This is American Express’ policy about how we adjust Credit Card interest rates based on your payment history. Under this policy, in the event we do not receive from you the minimum payment amount due on your statement of account by the relevant payment due date, you will be in default.

If you have three or more defaults in the last 12 months, we may adjust the interest rate applicable to your Card Account from 26.90% p.a. to 29.99% p.a. (subject to compounding).

This higher interest rate will be in effect for 12 consecutive months. During this period, if you maintain a good credit record and your Card Account is not cancelled or terminated, your interest rate may be reinstated to our prevailing base interest rate.

2. Repayment Grace Period
The repayment grace period is 22 days from the date of the Statement of Account.

3. Express Cash Charges
A handling fee of 5% of your withdrawal amount will apply for each withdrawal amount. Financial charges at 26.90% p.a. will be charged upon the withdrawal date until the withdrawal amount and the relevant fees are paid in full.

4. Minimum Monthly Payment
The minimum payment amount due on a statement of Account is 3% of the outstanding balance plus the total sum of any overdue.
minimum payment and late payment charges, and any amount exceeding your Credit limit, or S$50, whichever is greater.

5. Late Payment Charges
A late payment fee of S$100 per month will be charged if the minimum payment is not received by the due date.

6. Lost/Stolen Card Liability
Please notify us immediately on the loss of your American Express Card. You shall not be liable for any unauthorised charges made after you have given due notification to us, provided that neither you nor any Supplementary Card Member contributed to, or was involved in or benefited from the loss, theft or misuse of the Card. Your liability for unauthorised Charges effected before such notice shall be limited to S$100.

7. Foreign Exchange Charges
If we receive a transaction or refund for processing in a currency other than Singapore Dollars (“Foreign Charge”), our currency conversion affiliate, AE Exposure Management Limited (“AEEML”) will convert it into US Dollars first (unless it was submitted to us in US Dollars) and convert it from US Dollars into Singapore Dollars. The conversion will take place on the date the Foreign Charge is processed by American Express, which may not be the same date on which the Foreign Charge was made as it depends on when the Foreign Charge was submitted to American Express. Exchange rate fluctuations can be significant.

The exchange rate AEEML uses, which is called the “American Express Exchange Rate”, will be:

- the rate required by applicable law or used as a matter of local custom or convention in the territory where the transaction or refund is made (in which case AEEML will look to be consistent with that custom or convention), or where this doesn’t apply;
- based on interbank rates selected from customary industry sources on the business day prior to the processing date.

We will increase the Foreign Charge by a single conversion commission of 2.95%.

The American Express Exchange Rate is set each day from Monday to Friday including public holidays except for Christmas Day and New Year’s Day.

You acknowledge that any refund of a Foreign Charge may be different to the Foreign Charge amount originally processed on your Card Account. The difference is generally because:

a) the refund and Foreign Charge may be processed on different days with different rates;

b) the refund may be only a partial refund for the Foreign Charge; or

c) where third parties convert charges in foreign currency, those third parties may treat refunds differently to the original foreign currency charge.

When making a transaction in foreign currency, you may be given the option to allow a third party (for example, the retailer) to convert the transaction into Singapore Dollars before submitting it to us. If you decide to do this, then that third party will determine the exchange rate and any commission or fees payable for the currency conversion and submit that transaction to us in Singapore Dollars, meaning we will not convert the transaction or apply a currency conversion fee. It is your decision whether to use such third party currency conversion or not and in such cases, you should check the fees and charges before completing the transaction to ensure that you do not pay more than necessary.
