At Chubb, when it comes to helping you protect your valuable possessions, we go beyond your expectations. Our Masterpiece® policy provides coverage for individuals with significant assets to protect, and who appreciate superior levels of insurance cover and service for their homes, contents, fine art, jewellery, antiques, collections and personal liability.

What makes Chubb Masterpiece so different?

Owners of valuable assets may be tempted to save on their policy premiums, but when there is a claim, they may find that they are not sufficiently covered. Ordinary home policies can offer low premiums because they come with 'small prints' limiting the amounts they pay out. So, if you own a higher value home and valuable assets, it may be too late when you realise that you are not adequately insured.

This is precisely the reason why Chubb Masterpiece is unique. We put our insureds’ needs first with our 3-step approach.

Chubb’s radical 3-step approach

Step 1 – We believe in total transparency
We agree with you upfront, exactly what is insured and for how much. This eliminates over and under-insurance, and any haggling after the event. We also offer ‘agreed value’ for valuables and fine art - so you know the exact sum you will receive in the event of a loss.

Step 2 – We provide broad cover
We provide ‘all risks’ cover (including accidental damage) with minimal restrictive conditions, no under-insurance penalties and no small print. It comes from understanding what we are insuring.

Step 3 – We aim to pay claims
The moment you make a claim, we are ready to deal with it in a fast, fair and fuss-free way.

Going beyond expectations to protect your assets

Masterpiece Policy Features

Worldwide Cover
Coverage for your home contents, valuable articles and even personal liability, wherever you go.

Extended Replacement Cost Coverage
If the cost to rebuild your house after a covered loss exceeds your insurance cover, we will pay up to 200% of the sum insured.

Expertise in Valuing Homes
As a specialist insurer of fine homes, we need to understand the true value of a home before we can offer insurance.

Our Home Appraisers carefully document the architectural details and unique features to rebuild your house. They can also review your security and fire protection, and assess ways to reduce the risk of burglary, accident and fire.

Replacement Cost on Contents
Covers the full cost of replacing your contents (new for old) after a covered loss, up to your insured limit without depreciation. This includes all possessions such as furniture, electrical appliances, books, clothing, bags, etc.

Cash Settlement Option
Option to receive cash settlement in the event of irreparable damage or loss.

Additional Living Expenses Coverage
Reasonable costs for your additional living expenses if you are unable to live in your home while it is being rebuilt. This period is not limited by the expiration of the policy.

Personal Liability Coverage
Covers you and your family for a variety of circumstances where you are legally responsible.

Exceptional Cover for Valuables
We cover expensive assets and valuable collections. You can itemise each article and determine the value of each item from the start.

In the event of a covered total loss, you will get exactly the ‘agreed value’ amount, and not be restricted by limits, excess or depreciation.

Newly Acquired Items
For some categories, we provide 90 days of automatic cover for new acquisitions and up to 25% of the existing total sum insured.

Pairs or Set
If you lose or damage one item from a pair or set, we will give you the option to match that lost or damaged item, or surrender the remaining items. If the latter, we will pay the full replacement cost of the pair or set.

Choice of Repairer
We allow you to choose your preferred supplier to repair or replace a damaged item.

Not Just a Claim – It’s Fact
At Chubb, we pride ourselves on our worldwide reputation for delivering an outstanding claims service. Our approach to handling claims is the same as what it was when Chubb was founded in 1882. We strive to treat every customer the way we would like to be treated if we experienced the same loss.
