

# Masterpiece®

Your jewellery deserves better protection

CHUBB®

Jewellery can be an integral part of your life, handed down through the generations, received as a gift from a loved one or bought as a reminder of an extraordinary place or period in your life. Whatever it represents, it is an extension of who you are, and an emotional and financial investment worth protecting.

While jewellery can be included as part of your general household insurance policy, it is common for such policies to fall well behind the mark when it comes to providing appropriate coverage in the unfortunate event that any of your prized possessions are stolen, lost or damaged.

Masterpiece® coverage stands apart from standard home and contents policies in that it provides much broader cover.
