

Masterpiece®

Whisky is the new wine that deserves better protection

CHUBB®

As an avid collector, you've gone to great lengths to source and grow your collection. Having appropriate protection is the best thing you can do for your prized collection. However, not all collectors will take the same care in selecting the right insurance for their whiskies.

While whisky collections can be included as part of your general household insurance policy, often such policies do not provide appropriate coverage for a carefully curated collection in the unfortunate event where part or all of your collection is stolen, lost or damaged, whether at home or while you are travelling.

At Chubb, we specialise in insuring your valuables, collections and treasured assets and understand that these items require more than just regular coverage. Masterpiece® coverage stands apart from standard home and contents policies in that it provides much broader cover, including coverage for your prized collection or newly acquired bottles that may be stolen, lost or damaged, whilst in transit.

How is Masterpiece different?

By protecting your whisky collection with us, you will receive insurance benefits that most standard home and contents insurance policies do not offer.

These include:

Worldwide Coverage

Covers physical loss or damage no matter where you go.

Cash Settlement Option

Option to receive cash settlement in the event the item is irreplaceable.

Newly Acquired Items

Immediate cover for new acquisitions within 90 days notification, up to 25% of the total sum insured, subject to a maximum of \$100,000.

Expedited Claims Handling

With every covered loss, it is our goal to pay the claim within 48 hours of agreeing the settlement.
