

Protecting your business and Merchant Account

At American Express, your wellbeing is our priority. As we focus on keeping safe, our digital services remain available 24/7. You can view and download settlements, submissions and transactions anytime on your Online Merchant Account.

Here are some safety measures you can take to remain vigilant online against COVID-19 related scams.

Do not share your financial information and be wary of anyone asking for your personal information, even for contact tracing purposes.

Always verify authenticity of suspicious phone calls by contacting us or MOH at 1800 333 9999.

Avoid clicking on links or opening attachments in emails and SMS that may be disguised to carry information on COVID-19.

Refer to official government agency websites for latest information related to the COVID-19 situation.

DON'T *do business* **WITHOUT IT**SM
