Corporate Card Reinstatement Request

The reinstatement process only applies to Cards which have been cancelled, and does not apply for Cards which are suspended. If a Card Account has been cancelled for 30 days or more, it cannot be reinstated and the Cardmember should instead apply for a new Card Account using the normal application procedure.

Before a Card can be reinstated, please ensure the Card Account balance is zero.

Reinstatement requests must be raised by the Cardmember through the Programme Administrator or the Company's authorised signatory, who must approve and sign the reinstatement request.

A fee of £95 will be applied unless cancellation was an American Express error.

All information must be completed otherwise the request will be declined.
