Multi-Currency

VIDEO TRANSCRIPT

If you trade globally online, or you would like to, or if you sell your goods and services in a variety of currencies, then now's the time to sign up to American Express Multi-Currency.

This service allows you to suit the needs of both your customers and your business by enabling you to accept and settle payments in a wide variety of currencies.

We have Cardmembers in 170 countries which means that you'll be able to reach out to 100 million high-value customers around the world.

And because of our global experience, we can help you to streamline and simplify your foreign transactions by helping you to select the best option for your business to receive foreign currency payments.

Your Merchant Account also gives you access to a dedicated service team and to online management and reporting tools which allow you to monitor your business data, 24/7.

So sign up today and discover how American Express Multi-Currency can help you to grow your global business.
