2. What is my Discount Rate and how do I get paid?

- The Discount Rate is the amount we charge for accepting the Card which is a percentage of the face amount of the transaction on the Card. This is applied to all payments or purchases made using an American Express Card.
- Your Discount Rate can be found in the application form accompanying your Terms and Conditions for Card Acceptance, or alternatively in your agreement confirmation letter where applicable. If you’ve registered your Merchant account online, you’ll find your Discount Rate detailed in My Merchant Account/OMS, and also on paper statements too.
- Generally we pay net, so we’ll deduct the Discount Rate on each transaction, and any other fees, amounts or adjustments to your account prior to payment.
- By paying you in this way we won’t need to make any deductions at the end of each month.
- If you carried an outstanding debt forward from a previous period, we will offset this prior to settlement.
- Please refer to your American Express® Merchant statement or online via the My Merchant Account/OMS reconciliation screen for more details.

¹ Depending on how you submit transactions to American Express, disputes functionality may not be available to all Merchants at this time.
3. When will I receive payment?

Once you’ve submitted your transaction, the number of working days before you receive payment will depend on your individual payment plan. Please refer to your Terms and Conditions for Card Acceptance for details. To avoid any delay in receiving your payment, please refer to the following guidelines:

- Transactions submitted after 9pm will be processed on the following working day.

- Transactions submitted on non-working days such as Bank Holidays or weekends will be processed on the next working day. Please remember to include non-processing weekend days when calculating when you expect to receive your payment.

- If you wish to change your bank details, please call us on 0800 032 7216 and we will be happy to arrange that for you. Alternatively you can write to us with your request. Written requests must be on company letterhead paper, signed by an individual authorised to make changes to the account, and substantiated by a letter, bank statement, or voided cheque from your new bank.

- If your point of sale (POS) terminal requires manual reconciliation, please ensure this is completed correctly otherwise payment may be subject to delay.

- If you use a third party submission processor and have experienced an unexpected delay in receiving your payment, please check with your processor prior to contacting American Express. Any delay associated with your processor may impact when you receive your payment.

If you are experiencing terminal issues please contact us on 0800 032 7216, and select option 2 then 2 again.
4. Why is my account in debit?

There are three possible reasons why your account with us may show a debit:

• If you have issued a refund to an American Express Cardmember.

• If a dispute is upheld against you and the Cardmember is refunded. All such transactions will appear on your statement with a unique reference number. Should you wish to discuss any dispute please call us on 0800 032 7216 with your statement to hand.

• If fees are deducted from your account, such as annual fees.

Once you have registered online for My Merchant Account/OMS, you can choose to receive e-statements and notifications when your statement is ready to be viewed.

Just visit americanexpress.co.uk/mymerchantaccount to register your account online.
5. What should I do if my account is in debit?

If you submit transactions of sufficient value to American Express, no action is necessary. The outstanding amount will simply be deducted from the next payment we make to you. Alternatively, if you want to clear your account by making a payment to American Express, please use one of the following methods:

**Direct Debit**
We will debit your account if you signed a Direct Debit mandate. If you are not already on a Direct Debit mandate please call **0800 032 7216** to arrange for a form to be sent to you.
