Terms & Conditions

¹Fee Credit for Global Entry or TSA PreCheck®

The benefit is available to (i) Corporate Gold Card Members, (ii) Consumer Platinum Card® Members, Corporate Platinum Card® Members and Business Platinum Card® Members, and (iii) Centurion® Card Members. The benefit is also available to all Additional Card Members on Consumer and Business Platinum Accounts, and all Additional Card Members on Consumer and Business Centurion Accounts. To receive the Global Entry statement credit of \$100 or the TSA PreCheck statement credit of up to \$85, Basic or Additional Card Members on the eligible Card Account must pay for the respective application fee through a TSA PreCheck official enrollment provider with their eligible Card. Basic Card Members are eligible to receive a statement credit every 4.5 years for the TSA PreCheck® application fee (when applying through a TSA official enrollment provider) and every 4 years for the Global Entry application fee, in each case when charged to the Basic Card or any eligible Additional Cards on the eligible Card Account. Basic Card Members will receive a statement credit for the first program (either Global Entry or TSA PreCheck) to which they or their eligible Additional Cards apply and pay for with their eligible Card regardless of whether they are approved for Global Entry or TSA PreCheck. However, eligible Card Members can earn no more than one credit for up to \$85 for TSA PreCheck or \$100 credit for Global Entry (but not both programs), depending upon the program the Card Member first applies for, for an application fee charged to an eligible Card. American Express has no control over the application and/or approval process for Global Entry or TSA PreCheck, and does not have access to any information provided to the government by the Card Member or by the government to the Card Member. American Express has no liability regarding the Global Entry or TSA PreCheck Programs. U.S. Customs and Border Protection (CBP) (for Global Entry) and U.S. Transportation Security Administration (TSA) (for TSA PreCheck) charge an application fee to process each respective application regardless of whether the Card Member's application is approved. The Department of Homeland Security may suspend acceptance of applications on any basis at its discretion. American Express will provide a statement credit for the application fee regardless of the decision made by CBP (for Global Entry) or TSA (for TSA PreCheck) but will not provide a statement credit for subsequent application fees charged to the same eligible Card within 4 years (for Global Entry) or 4.5 years (for TSA PreCheck), even if the original application is rejected.

Membership for Global Entry or TSA PreCheck is per person, and a separate application must be completed for each individual. TSA PreCheck application must be processed through a TSA official enrollment provider. Global Entry membership also includes access to the TSA PreCheck program with no additional application or fee required. For additional information on the Global Entry or TSA PreCheck programs, including information regarding the application and/or approval process and for a list of participating airlines and airports, as well as the full terms and conditions of the programs, please go to www.cbp.gov/travel/trusted-traveler-programs/global-entry for Global Entry and www.tsa.gov for TSA PreCheck. The Global Entry or TSA PreCheck programs are subject to change, and American Express has no control over those changes.

The statement credit benefit applies to the Global Entry or TSA PreCheck programs only. Other program applications including, but not limited to, NEXUS, SENTRI, FAST, and Privism are not eligible for the statement credit benefit.

Please allow up to 8 weeks after the qualifying Global Entry or TSA PreCheck transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. American Express relies on accurate transaction data to identify eligible Global Entry and TSA PreCheck purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, simply call the number on the back of your Card. Card Members are responsible for payment of all application charges until the statement credit posts to the Card Account. Statement credits may be reversed if an eligible purchase is returned/cancelled.

To be eligible for this benefit, the Card Account must not be cancelled and not past due at the time of statement credits fulfillment. If American Express, in its sole discretion, determines that you have engaged in or intend to engage in any manner of abuse, misuse, or gaming in connection with this benefit, American Express will not have an obligation to provide statement credits and may reverse any statement credits provided to you. If a charge for an eligible purchase is included in a Pay Over Time feature balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.

²\$100 LoungeBuddy Credit

American Express® Corporate Card Members can earn up to \$100 in statement credits per calendar year when they use their Corporate Card to purchase lounge access directly from LoungeBuddy, either through the LoungeBuddy website or the LoungeBuddy app. Please allow 6-8 weeks after the purchase is charged to the Card Account for statement credit(s) to post. Card Members should call the number on the back of their Card if statement credits have not posted after 8 weeks from the date of purchase. Card Members are responsible for timely payment of all LoungeBuddy charges. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment. Statement credit may be reversed if the LoungeBuddy purchase is returned. American Express relies on accurate transaction data to identify eligible LoungeBuddy purchases. No enrollment required. Please consult LoungeBuddy's terms and conditions for more information.

⁵Uber Cash Benefit for Eligible American Express Corporate Card Members

U.S. Corporate Platinum Card® from American Express and U.S. American Express® Corporate Gold Card Members are eligible to earn Uber Cash equaling 5% of eligible spend on rides with Uber and orders with Uber Eats paid for using their Gold or Platinum Card. U.S. American Express® Corporate Green Card Members are eligible to earn Uber Cash equaling 3% of eligible spend on rides with Uber and orders with Uber Eats paid for using their Green Card. Enrollment required.

Uber Cash is a payment currency for scooter rides made through this benefit. Uber Cash will have a value of one U.S. dollar (\$1) available to Card Members to pay for one U.S. dollar (\$1) in eligible purchases and (iii) will be added automatically to the Card Member's Uber Cash account.

To enroll in this benefit, Card Members must open the latest version of the Uber or Uber Eats app, select their Business Profile, and add and select their eligible American Express Corporate Card as the method of payment. When prompted, the Card Member must press "Join Program." Upon completion, Card Members will receive a confirmation email from Uber. If the account number of the enrolled eligible Card changes, or the Card Member wants to use a different (eligible) Corporate Card account as the payment method for the benefit, the Card Member would need to re-enroll in the benefit using the relevant Card account number. Card Members can contact Uber Support through the app regarding any issues they have enrolling.

Eligible spend on rides with Uber and orders with Uber Eats include total amounts paid by eligible Card Members, in the U.S., for orders with Uber Eats, Pool/Express Pool trips, UberX, XL, WAV/Assist, Comfort, Connect, Pet and Select trips, and Green, Black and Black SUV trips, and tips to delivery people or drivers, but excludes car rentals, cancellation fees, portions of trips covered by a promotional value, portions of trips covered by another user through split fare, external trip fees such as damage and cleaning fees, upfront purchases of Uber Cash, credits, and subscription passes, and taxi, bike, and scooter rides. The eligible spend must be paid for using an eligible Corporate Card, and changes to the Card Member's Card details must be updated in the Uber App. Cards added to an Uber account through a third party such as Apple Pay or PayPal will not be eligible. American Express reserves the right to suspend eligibility for the benefit if we suspect any violation or abuse.

If a Card Member earns Uber Cash under the benefit for a transaction and then changes the payment method for the transaction to a method that is not eligible, then Uber will remove the Uber Cash from the Card Member's Uber Cash account. In the event a Card Member does not earn Uber Cash under the benefit for a transaction and then changes the payment method for the transaction to an eligible Card under their Business Profile, then Uber will add the Uber Cash earned under the benefit for the transaction to the Card Member's Uber Cash account.
