Terms & Conditions

- 1 The benefit is available to Corporate Platinum Card Members. Card Members are eligible to receive up to \$179 in statement credits per calendar year for CLEAR membership when charged to an eligible Card. Card Members who established a CLEAR membership using another payment method and who would like to take advantage of the \$179 Fee Credit for CLEAR must contact CLEAR customer service to change the payment method on their CLEAR membership to an eligible Card. CLEAR memberships automatically renew each year unless canceled and CLEAR will charge the applicable membership fee to the Card CLEAR has on file.

American Express has no control over the application and/or approval process for CLEAR, and does not have access to any information provided to CLEAR by the Card Member or by CLEAR to the Card Member. American Express has no liability regarding the CLEAR program.

Membership for CLEAR is per person, and a separate application must be completed for each individual. If a Card Member's application is not approved by CLEAR, CLEAR will refund the charges. If the statement credit benefit has been applied before CLEAR refunds the charges, that statement credit will be reversed. For additional information on the CLEAR program, including information regarding the application and/or approval process and for a list of participating airports and stadiums, as well as the full terms and conditions of the programs, please go to www.clearme.com. The CLEAR program is subject to change, and American Express has no control over those changes.

The CLEAR statement credit benefit applies to this program only. Other program applications including, but not limited to, Global Entry, TSA PreV[®] NEXUS, SENTRI, and Privium are not eligible for this statement credit benefit. Please allow up to 2–4 weeks after a qualifying transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. If you do not see a credit for a qualifying purchase on your eligible Card after 4 weeks, please call the number on the back of your Card. Card Members remain responsible for timely payment of all charges. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment.

If American Express does not receive information that identifies your transaction as eligible, you will not receive the statement credit. For example, your transaction will not be eligible if it is not made directly with the merchant. In addition, in most cases, you may not receive the statement credit if your transaction is made with an electronic wallet or through a third party or if the merchant uses a mobile or wireless card reader to process it.

- 5 Benefit is available to Consumer and Corporate Platinum Card Members only. To receive statement credits of up to \$200 per calendar year for incidental airline fees charged to the eligible Card, Card Member must select one qualifying airline through their American Express Online Account or the link for their Card below:

- American Express Corporate Platinum Card®:

<https://global.americanexpress.com/card-benefits/enroll/airline-fee-credit/corporate-platinum>

Qualifying airlines include Alaska Airlines, American Airlines, Delta Airlines, Frontier Airlines, Hawaiian Airlines, JetBlue Airways, Spirit Airlines, Southwest Airlines, and United Airlines. Only the Basic Card Member or Authorized Account Manager(s) on the Card Account can select the qualifying airline. Card Members who have not chosen one qualifying airline will be able to do so at any time. Card Members who have already selected one qualifying airline will be able to change their choice one time each year in January through their American Express Online Account or by calling the number on the back of the Card. Card Members who do not change their airline selection will remain with their current airline.

Statement Credits: Incidental airline fees must be charged to the Card Member on the eligible Card Account for the benefit to apply. Incidental airline fees charged by both the Basic and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is eligible for up to a total of \$200 per calendar year in statement credits across all Cards on the Account. Incidental airline fees must be separate charges from airline ticket charges. Fees not charged by the Card Member's selected airline (e.g. wireless internet and fees incurred with airline alliance partners) do not qualify for statement credits. Incidental airline fees charged prior to selection of a qualifying airline are not eligible for statement credits. Airline tickets, upgrades, mileage points purchases, mileage points transfer fees, gift cards, duty free purchases, and award tickets are not deemed to be incidental fees. The airline must submit the charge under the appropriate merchant code, industry code, or required service or product identifier for the charge to be recognized as an incidental air travel fee. Please allow 2–4 weeks after the qualifying incidental air travel fee is charged to your Card Account for statement credit(s) to be posted to the Account. We rely on airlines to submit the correct information on airline transactions, so please call the number on the back of the Card if statement credits have not posted after 4 weeks from the date of purchase. Card Members remain responsible for timely payment of all charges. To be eligible for this benefit, Card Account(s) must be not canceled and not past due at the time of statement credit fulfillment.
