#### Terms & Conditions:

##### <sup>1</sup> \$100 Airline Fee Credit

Benefit is available to Corporate Gold Card Members only. To receive statement credits of up to \$100 per calendar year toward incidental air travel fees, Card Member must select one qualifying airline at <https://global.americanexpress.com/card-benefits/enroll/airline-fee-credit/corporate-gold>. Only the Basic Card Member or Authorized Account Manager(s) on the Card Account can select the qualifying airline. Card Members who have not chosen a qualifying airline will be able to do so at any time. Card Members who have already selected a qualifying airline will be able to change their choice one time each year in January at <https://global.americanexpress.com/card-benefits/enroll/airline-fee-credit/corporate-gold> or by calling the number on the back of the Card. Card Members who do not change their airline selection will remain with their current airline. Statement Credits: Incidental air travel fees must be charged to the Card Member on the eligible Card Account for the benefit to apply. Incidental air travel fees charged by both the Basic and Additional Card Members on the eligible Card Account are eligible for statement credits. However, each Card Account is eligible for up to a total of \$100 per calendar year in statement credits across all Cards on the Account. Incidental air travel fees must be separate charges from airline ticket charges. Fees not charged by the Card Member's airline of choice (e.g. wireless internet and fees incurred with airline alliance partners) do not qualify for statement credits. Incidental air travel fees charged prior to selection of a qualifying airline are not eligible for statement credits. Airline tickets, upgrades, mileage points purchases, mileage points transfer fees, gift cards, duty free purchases, and award tickets are not deemed to be incidental fees. The airline must submit the charge under the appropriate merchant code, industry code, or required service or product identifier for the charge to be recognized as an incidental air travel fee. Please allow 6-8 weeks after the qualifying incidental air travel fee is charged to your Card Account for statement credit(s) to be posted to the Account. We rely on airlines to submit the correct information on airline transactions, so please call the number on the back of the Card if statement credits have not posted after 8 weeks from the date of purchase. Card Members remain responsible for timely payment of all charges. To be eligible for this benefit, Card Account(s) must be not canceled and not past due at the time of statement credit fulfillment. For additional information about this benefit, call the number on the back of your Card.

##### <sup>2</sup> \$100 LoungeBuddy Credit

American Express® Corporate Gold Card Members can earn up to \$100 in LoungeBuddy credits each year when they use their Corporate Gold Card to purchase lounge access directly from LoungeBuddy, either through the LoungeBuddy website or the LoungeBuddy app. Please allow 6-8 weeks after the purchase is charged to the Card Account for statement credit(s) to post. Card Members should call the number on the back of their Card if statement credits have not posted after 8 weeks from the date of purchase. Card Members are responsible for timely payment of all LoungeBuddy charges. To be eligible for this benefit, Card account(s) must be active through the time of statement credit fulfillment. Statement credit may be reversed if the LoungeBuddy purchase is returned. American Express relies on accurate transaction data to identify eligible LoungeBuddy purchases. No enrollment required. Please consult LoungeBuddy's terms and conditions for more information.

##### <sup>3</sup> Uber Cash Benefit for Eligible American Express Corporate Card Members

U.S. Corporate Platinum Card® from American Express and U.S. American Express® Corporate Gold Card Members are eligible to earn Uber Cash equaling 5% of eligible spend on rides with Uber and orders with Uber Eats paid for using their Gold or Platinum Card. U.S. American Express® Corporate Green Card Members are eligible to earn Uber Cash equaling 3% of eligible spend on rides with Uber and orders with Uber Eats paid for using their Green Card. Enrollment required.

Uber Cash is a payment currency for use with purchases made through Uber Services. Uber Cash earned through this benefit (i) can only be used in the U.S. to pay for rides with Uber, orders with Uber Eats, and Lime bikes and scooter rides booked via the Uber app, (ii) will have a value of one U.S. dollar (\$1) available to Card Members to pay for one U.S. dollar (\$1) in eligible purchases and (iii) will be added automatically to the Card Member's Uber Cash account.

To enroll in this benefit, Card Members must open the latest version of the Uber or Uber Eats app, and add their eligible American Express Corporate Card as a payment method. A window will pop up and the Card Member must press "Start earning Uber Cash." If the Card Member already has their eligible Card in their Uber Wallet, the Card Member can enroll by navigating to their account, scrolling down to "Partner Rewards", selecting "Earn Uber Cash with your eligible American Express Corporate Card," and then selecting "Enroll Now." A window will pop up and the Card Member must press "Start earning Uber Cash." If the account number of the enrolled eligible Card changes, or the Card Member wants to use a different eligible Corporate Card account as the payment method for the benefit, the Card Member would need to re-enroll in the benefit using the relevant Card account number.

Eligible spend on rides with Uber and orders with Uber Eats include total amounts paid by eligible Card Members, in the U.S., for orders with Uber Eats, Pool/Express Pool trips, UberX, XL, WAV/Assist, Comfort, Connect, Pet and Select trips, and Green, Black and Black SUV trips, and tips to delivery people or drivers, but excludes car rentals, cancellation fees, portions of trips covered by a promotional value, portions of trips covered by another user through split fare, external trip fees such as damage and cleaning fees, upfront purchases of Uber Cash, credits, and subscription passes, and taxi, bike, and scooter rides. The eligible spend must be paid for using an eligible Corporate Card, and changes to the Card Member's Card details must be updated in the Uber App. Cards added to an Uber account through a third party such as Apple Pay or PayPal will not be eligible. American Express reserves the right to suspend eligibility for the benefit if we suspect any violation or abuse.

If a Card Member earns Uber Cash under the benefit for a transaction and then changes the payment method for the transaction to a method that is not eligible, then Uber will remove the Uber Cash from the Card Member's Uber Cash account. In the event an enrolled Card Member does not earn Uber Cash under the benefit for a transaction and then changes the payment method for the transaction to an eligible Card, then Uber will add the Uber Cash earned under the benefit for the transaction to the Card Member's Uber Cash account.

Terms apply. Visit <https://www.uber.com/legal/en/document/?name=uber-cash-terms-of-use&country=united-states&lang=en> for details on Uber Cash. Offer is subject to change at any time without notice to you. Fulfillment of the offer is the sole responsibility of Uber.

##### <sup>6</sup> Fee Credit for Global Entry or TSA PreCheck®

The benefit is available to (i) Corporate Gold Card Members, (ii) to additional Platinum Card® Members, Corporate Platinum Card® Members and Business Platinum Card® Members, and (iii) Centurion® Card Members. The benefit is also available to all Additional Card Members on Consumer and Business Platinum Accounts, and all Additional Card Members on Consumer and Business Centurion Accounts. To receive the Global Entry statement credit of \$100 or the TSA PreCheck statement credit of up to \$85, Basic or Additional Card Members on the eligible Card Account must pay for the respective application fee through a TSA PreCheck official enrollment provider with their eligible Card. Basic Card Members are eligible to receive a statement credit every 4.5 years for the TSA PreCheck® application fee (when applying through a TSA official enrollment provider) and every 4 years for the Global Entry application fee, in each case when charged to the Basic Card or any eligible Additional Cards on the eligible Card Account. Basic Card Members will receive a statement credit for the first program (either Global Entry or TSA PreCheck) to which they or their eligible Additional Cards apply and pay for with their eligible Card regardless of whether they are approved for Global Entry or TSA PreCheck. However, eligible Card Members can earn no more than one credit for up to \$85 for TSA PreCheck or \$100 credit for Global Entry (but not both programs), depending upon the program the Card Member first applies for, for an application fee charged to an eligible Card. American Express has no control over the application and/or approval process for Global Entry or TSA PreCheck, and does not have access to any information provided to the government by the Card Member or by the government to the Card Member. American Express has no liability regarding the Global Entry or TSA PreCheck Programs. U.S. Customs and Border Protection (CBP) for Global Entry and U.S. Transportation Security Administration (TSA) for TSA PreCheck charge an application fee to process each respective application regardless of whether the Card Member's application is approved. The Department of Homeland Security may suspend acceptance of applications on any basis at its discretion. American Express will provide a statement credit for the application fee regardless of the decision made by CBP for Global Entry or TSA (for TSA PreCheck) but will not provide a statement credit for subsequent application fees charged to the same eligible Card within 4 years (for Global Entry) or 4.5 years (for TSA PreCheck), even if the original application is rejected.

Membership for Global Entry or TSA PreCheck is per person, and a separate application must be completed for each individual. TSA PreCheck application must be processed through a TSA official enrollment provider. Global Entry membership also includes access to the TSA PreCheck program with no additional application or fee required. For additional information on the Global Entry or TSA PreCheck programs, including information regarding the application and/or approval process and for a list of participating airlines and airports, as well as the full terms and conditions of the programs, please go to [www.cbp.gov/travel/trusted-traveler-programs/global-entry](http://www.cbp.gov/travel/trusted-traveler-programs/global-entry) for Global Entry and [www.tsa.gov](http://www.tsa.gov) for TSA PreCheck. The Global Entry or TSA PreCheck programs are subject to change, and American Express has no control over those changes.

The statement credit benefit applies to the Global Entry or TSA PreCheck programs only. Other program applications including, but not limited to, NEXUS, SENTRI, FAST, and Privilium are not eligible for the statement credit benefit.

Please allow up to 8 weeks after the qualifying Global Entry or TSA PreCheck transaction is charged to the eligible Card account for the statement credit to be posted to the Card account. American Express relies on accurate transaction data to identify eligible Global Entry and TSA PreCheck purchases. If you do not see a credit for a qualifying purchase on your eligible Card after 8 weeks, simply call the number on the back of your Card. Card Members are responsible for payment of all application charges until the statement credit posts to the Card Account. Statement credits may be reversed if an eligible purchase is returned/paid/cancelled.

To be eligible for this benefit, the Card Account must not be cancelled and not past due at the time of statement credits fulfillment. If American Express, in its sole discretion, determines that you have engaged in or intend to engage in any manner of abuse, misuse, or gaming in connection with this benefit, American Express will not have an obligation to provide statement credits and may reverse any statement credits provided to you. If a charge for an eligible purchase is included in a Pay Over Time feature balance on your Card Account, the statement credit associated with that charge may not be applied to that Pay Over Time feature balance. Instead, the statement credit may be applied to your Pay In Full balance. For additional information, call the number on the back of your Card.
