

Remove the Signature at Checkout

Give your customers a fast and safe purchasing experience

DON'T
do business
WITHOUT IT™

You are no longer required to collect American Express® Card Member signatures on **any** Card-present point-of-sale transactions. **And, you won't be held liable for missing signatures in disputes or fraud cases.**

Dispute policy updates that back your business

- You will not be held liable for fraud chargebacks on Card-present transactions due to missing signatures.
- Signatures are no longer required for receipts with dispute documentation.

3 no-signature benefits for your customers and your business

- 1. SAFETY** No need to touch a pen or receipt, keeping your employees and customers safe
- 2. SPEED** Saves time in the checkout line
- 3. SAVINGS** No need to store signatures, potentially reducing operational expenses

Remove the Signature. It's Easy.

- GET READY.**
Tell your provider to remove signature prompts from your terminal.
- GET SET.**
Train your employees on signature removal.
- GO.**)))
Start implementing signature-free checkout.
