1. Cellular Telephone Protection can reimburse the eligible Wells Fargo Consumer credit card cardholder for damage to or theft of a cellular wireless telephone. Eligible Cellular Wireless Telephones are limited to the primary line and up to the first three additional lines as listed on your provider's monthly statement. Cellular Telephone Protection is subject to a \$25.00 deductible per claim and a maximum of 2 claims per 12 month period. The maximum benefit limit is \$600.00 per occurrence and \$1,200.00 per 12 month period. You will receive no more than the value of the original phone or a replacement phone with similar features and functionality, less a \$25.00 deductible. **This benefit does not cover cellular telephones that are lost.** This protection is only available when cell phone bills are paid from your Wells Fargo Consumer Credit Card. The coverage does not apply if the cell phone bill is paid from a Wells Fargo Debit Card, Wells Fargo Business Credit Card, or from the card that is linked to a Line of Credit. Coverage does not apply to cell phones that are rented, borrowed, or received as part of a pre-paid plan. Electronic failure or issues related to the software of the device are not covered. Cellular telephone protection coverage begins the first day of the calendar month following your first cellular telephone billing on your Wells Fargo Consumer Credit Card, and remains in effect when you continue to charge your total monthly cellular telephone bill to your Wells Fargo Consumer Credit Card. This protection may not be equivalent to or better than other applicable coverage you may have presently or in the future, such as your homeowner's or automobile insurance policies, or through a plan provided through the seller of the telephone. For complete coverage benefits and exclusions regarding this protection call 1-866-804-4770, 24 hours a day, seven days a week or go to wellsfargo.com/cellphone.

Note: Call your cellular provider (or log on to their website) and request to set up automatic payments. Setting up automatic payments is not required to qualify for this cellular telephone protection benefit; however, you need to pay your monthly cellular telephone bill with your eligible Wells Fargo Consumer Credit Card to get up to \$600 protection.
