

Platinum Global Dining Benefit Terms and Conditions

- **Maximum amount back is £100 locally and £100 abroad per 6 months of the calendar year:** Each redemption period resets on 1 July and 1 January until the offer end date of 31 December 2026. You cannot carry any unused offer value from one redemption period into the next. If you spend on the last day of a redemption period, your transaction may not get captured within that redemption period, so it is recommended to redeem at least 1 day earlier in the period.
- **Primary Cardmember Only:** The Global Dining Benefit is only available to Primary American Express® Platinum Cardmembers using their Platinum Card. Transactions made with a Supplementary Card or Additional Card are not eligible for this Benefit.
- **Save this Benefit First:** You must first save the Local Dining Credit benefit and the Abroad Dining Credit benefit to your Platinum Card before making your payment to qualify for the benefit. If you use another card to make a payment at any time, you will not be eligible for the benefit on that card.

If you spend in a currency other than the Great British Pound (£) a Currency Conversion Fee applies and this fee does not count towards the benefit. For more information regarding charges made in foreign currencies refer to your Cardmember Agreement.
