

Joint Account Signature Form

If you own a joint High-Yield Savings Account, certain FDIC regulations require that we have both the primary and joint account owners' signatures on file so that your account is eligible for insurance up to the maximum applicable limit provided by the FDIC for qualifying joint accounts. Please take a moment and have both the primary and joint account owners sign the Joint Account Signature Form below. For more information on FDIC insurance, please visit fdic.gov.

If you have any questions, please call 1-800-446-6307.
